Henry Fielding: Joseph Andrews Feb 26 2021 The first full-length novel by the English author Henry Fielding to be published and among the early novels in the English language. Appearing in 1742 and defined by Fielding as a "comic epic poem in prose", it tells of a good-natured footman's adventures on the road home from London with his friend and mentor, the absent-minded parson Abraham Adams. The novel draws on various inspirations. Written "in imitation of the manner of Cervantes, the author of Don Quixote" (see title page on right), the work owes much of its humour to the techniques developed by Cervantes, and its subject-matter to the seemingly loose arrangement of events, digressions and lower-class characters to the genre of writing known as picaresque. In deference to the literary tastes and recurring tropes of the period, it relies on bawdy humour, an impending marriage and a mystery surrounding unknown parentage, but conversely is rich in philosophical digressions, classical erudition and social purpose.

Henry Fielding 's 'Joseph Andrews' in terms of parody Nov 18 2022

Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Hamburg (Institut für Amerikanistik und Anglistik), course: Classics re-written? Pamela and Jane Eyre, 14 entries in the bibliography, language: English, abstract: This paper deals with the analysis of Henry Fielding 's ' Joseph Andrews ' (published in 1749) in relation to Samuel Richardson 's ' Pamela ' (published in 1740). It has been claimed that Fielding wrote his novel as a response to ' Pamela ', according to several allusions included in his novel ' Joseph Andrews '. To describe the relationship between these two texts, the notion of transtextuality, coined by the French literary scholar Gérard Genette, will be used. Here the focus will lie on the so called hypertextuality, which describes the ' overlapping ' of two different texts. The aim of this paper is to analyse ' Joseph Andrews ' in terms of parody, which is one of the possible hypertextual operations that occur in literature. In order to do so, the notion of parody will be defined, mostly by opposing and comparing two recent accounts of the term. With the help of the knowledge of hypertextuality and parody, Fielding 's novel will be examined in detail. The main purpose is to find out whether Fielding parodied ' Pamela ' or not. Therefore structural and functional criteria of ' Joseph Andrews ' will be taken into account. The first two chapters will provide the fundamental knowledge that is necessary for the analysis of the novel in the end. The important literary terms and their definitions will be introduced. Afterwards Henry Fielding 's ' Joseph Andrews ' will be analysed.

What began as a parody of Samuel Richardson's Pamela became one of Henry Fielding's greatest works, and one of the earliest English novels. Joseph, at the age of ten, becomes the apprentice of a man named Thomas Booby. But as he grows into a handsome young man, he begins to catch the eyes of Lady Booby, Sir Thomas's wife, and her servant, Mrs. Slipslop. Shocked by their advances, chaste and innocent Joseph spurs their every attempt at seduction. Insulted by his continuous rejection, Lady Booby fires Joseph and turns him out into the streets. Freed from his lecherous employer, he sets off on a journey to visit his beloved Fanny Goodwill. On the way, his old tutor, the pious Parson Adams, becomes his travel companion. The road to Fanny is paved with adventure, and poor Joseph can't seem to shake his various suitors. All he wants to do is live a quiet life devoted to his love, but will he be stopped at every turn?

The History of the Adventures of Joseph Andrews, and His Friend Mr. Abraham Adams. By Henry Fielding, Esq Aug 15 2022

The History of the Adventures of Joseph Andrews and of His Friend Mr. Abraham Adams Sep 16 2022 'I beg as soon as you get Fielding's Joseph Andrews, I fear in Ridicule of your Pamela and of Virtue in the Notion of Don Quixote's Manner, you would send it to me by the very first Coach.'

(George Cheyne in a letter to Samuel Richardson, February 1742) Both Joseph Andrews (1742) and Shamela (1741) were prompted by the success of Richardson's Pamela (1740), of which Shamela is a splendidly bawdy parody. But in Shamela Fielding also demonstrates his concern for the corruption of contemporary society, politics, religion, morality, and taste. These same themes - together with a presentation of love as charity, as friendship, and in its sexual taste - are present in Joseph Andrews, Fielding's first novel. It is a work of considerable literary sophistication and satirical verve, but its appeal lies also in its spirit of comic affirmation, epitomized in the celebrated character of Parson Adams. This revised and expanded edition follows the text of Joseph Andrews established by Martin C. Battestin for the definitive Wesleyan Edition of Fielding's works. The text of Shamela is based on the first edition, and two substantial appendices reprint the preliminary matter from Conyers Middleton's *Life of Cicero* and the second edition of Richardson's Pamela (both closely parodied in Shamela). A new introduction by Thomas Keymer situates Fielding's works in their critical and historical contexts.

Font adjustments & biography included Unabridged (100% Original content) Illustrated About Joseph Andrews - Volume 2 by Henry Fielding Joseph Andrews - Volume 2, was the first published full-length novel of the English author and magistrate Henry Fielding. Published in 1742 and defined by Fielding as a "comic epic poem in prose", it is the story of a good-natured footman's adventures on the road home from London with his friend and mentor, the absent-minded parson Abraham Adams. The novel represents the coming together of the two competing aesthetics of eighteenth-century literature: the mock-heroic and neoclassical (and, by extension, aristocratic) approach of Augustans such as Alexander Pope and Jonathan Swift; and the popular, domestic prose fiction of novelists such as Daniel Defoe and Samuel Richardson. The novel draws on a variety of inspirations. Written "in imitation of the manner of Cervantes, the author of *Don Quixote*", the work owes much of its humour to the techniques developed by Cervantes, and its subject-matter to the seemingly loose arrangement of events, digressions and lower-class characters to the genre of writing known as picaresque. In deference to the literary tastes and recurring tropes of the period, it relies on bawdy humour, an impending marriage and a mystery surrounding unknown

parentage, but conversely is rich in philosophical digressions, classical erudition and social purpose. Fielding's first venture into prose fiction came a year previously with the publication in pamphlet form of *Shamela*, a travesty of, and direct response to, the stylistic failings and moral hypocrisy that Fielding saw in Richardson's *Pamela*. Richardson's epistolary tale of a resolute servant girl, armed only with her "virtue", battling against her master's attempts at seduction had become an overnight literary sensation in 1741. The implicit moral message -- that a girl's chastity has eventual value as a commodity --, as well as the awkwardness of the epistolary form in dealing with ongoing events, and the triviality of the detail which the form necessitates, were some of the main targets of Fielding's parody.

Fielding's far more spirited and sexually honest heroine, by contrast, merely uses coyness and mock modesty as techniques to catch a rich husband. *JOSEPH ANDREWS*, Fielding's first full-length novel, can also be seen as a response to Richardson, as the lascivious Lady Booby sets out to seduce her comically chaste servant Joseph, (himself in love with the much-put-upon Fanny Goodwill). As in *Tom Jones*, Fielding takes a huge cast of characters out on the road and exposes them to many colourful and often hilarious adventures.

Henry Fielding - Joseph Andrews Vol 1 & 2 May 20 2020 Henry Fielding was born at Sharpham Park, near Glastonbury, in Somerset on April 22nd 1707. His early years were spent on his parents' farm in Dorset before being educated at Eton. An early romance ended disastrously and with it his removal to London and the beginnings of a glittering literary career; he published his first play, at age 21, in 1728. He was prolific, sometimes writing six plays a year, but he did like to poke fun at the authorities. His plays were thought to be the final straw for the authorities in their attempts to bring in a new law. In 1737 The Theatrical Licensing Act was passed. At a stroke political satire was almost impossible. Fielding was rendered mute. Any playwright who was viewed with suspicion by the Government now found an audience difficult to find and therefore Theatre owners now toed the Government line. Fielding was practical with the circumstances and ironically stopped writing to once again take up his career in the practice of law and became a barrister after studying at Middle Temple. By this time he had married Charlotte Craddock, his first wife, and they would go on to have five children. Charlotte died in 1744 but was immortalised as the heroine in both Tom Jones and Amelia. Fielding was put out by the success of Samuel Richardson's Pamela, or Virtue Rewarded. His reaction was to spur him into writing a novel. In 1741 his first novel was published; the successful Shamela, an anonymous parody of Richardson's novel. Undoubtedly the masterpiece of Fielding's career was the novel Tom Jones, published in 1749. It is a wonderfully and carefully constructed picaresque novel following the convoluted and hilarious tale of how a foundling came into a fortune. Fielding was a consistent anti-Jacobite and a keen supporter of the Church of England. This led to him now being richly rewarded with the position of London's Chief Magistrate. Fielding continued to write and his career both literary and professional continued to climb. In 1749 he joined with his younger half-brother John, to help found what was the nascent forerunner to a London police force, the Bow Street Runners. Fielding's ardent commitment to the cause of justice in the 1750s unfortunately coincided with a rapid deterioration in his health. Such was his decline that in the summer of 1754 he travelled, with Mary and his daughter, to Portugal in search of a cure. Gout, asthma, dropsy and other afflictions forced him to use crutches. His health continued to fail alarmingly. Henry Fielding died in Lisbon two months later on October 8th, 1754.
