Out of Mormonism Jun 01 2021 Judy Robertson shares her unique insider's viewpoint as a woman in the Mormon church. After she and her husband rediscovered God's truth, they faced torment and persecution upon leaving the LDS church. This reader-friendly book is one of the few Christian books that focuses first on an individual's journey from Mormonism rather than on theology or Christian doctrines. The revised edition includes testimonies of others who have left the Mormon church and what God is doing today through Concerned Christians. Readers will find Out of Mormonism a useful resource for understanding and witnessing to friends and family in the LDS church.

Book of Mormon Student Manual Jul 02 2021

Best Kept Secrets of the Gospel of Jesus Christ Jan 28 2021 I had a religion professor at Brigham Young University who often asked, What is the best kept secret of The Mormon Church? After declaring all answers amiss he would make this statement; The best kept secret of The Mormon Church is the Gospel of Jesus Christ! Over the years of teaching gospel doctrine I have found his statement to be all too true. Despite their best study efforts and the abundance of scriptural resources, many members do not understand some fundamental and extremely important doctrines. I invite you to feast with me upon the meat of more exalted concepts.

Will the Real Mormons Stand Up and Sound the Alarm? Oct 13 2019 The Church of Jesus Christ of Latter-Day Saints is an influential church in the United States and beyond. Yet, it remains a mysterious entity to those who are not members. Now we find the church contains mysteries unknown to even those who call it their spiritual home. In *Will the Real Mormons Stand Up and Sound the Alarm?* author Vern Porter shares his discovery of the potentially seamier side of the church. After nearly twenty years in the church, Porter was doing part-time missionary work when he ran across members obsessed with polygamy and racism. When he confronted them, the treatment he received led him to reexamine anti-Mormon accusations he had experienced from Baptists. For several years, he studied the Scriptures and history of the church, including the Journal of Discourses, a twenty-six-volume record of conference talks from the early 1850s to the mid-1880s. As he researched the church, it became obvious to him that its scholars and leaders had covered up details of Mormon doctrine and history from the church's early days in Utah. Although he left the church for twenty-five years, he returned after experiencing some hard-to-forget dreams. Though most of his friends received him with open arms, some tried to drive him away. In *Will the Real Mormons Stand Up and Sound the Alarm?* Porter pulls back the curtain and shares some of his real concerns about the Church of Jesus Christ of Latter-Day Saints, especially concerning more radical members and beliefs.

Teaching the Book of Mormon, Part 2 Dec 07 2021 Teaching the Book of Mormon is full of powerful teaching ideas to change lives. Helpful components include creative object lessons, group activities, discussion questions and more to build an influential atmosphere of learning and interaction. With this all-inclusive resource, you will engage your children, your seminary students, or your Sunday School class in powerful learning.

What Is Mormonism All About? Dec 15 2019 Organized in a simple and easy-to-read format, this book aims to answer dozens of common questions concerning the people, practices, history, and culture of the Mormon faith. Are Mormons Christians? What is the Book of Mormon? How does Mormonism contrast with the world's other religions? What exactly do today's Mormons believe? The book offers readers of all backgrounds an accessible and informative Q&A session that covers all facets of The Church of Jesus Christ of Latter-Day Saints. Although sometimes misunderstood, Mormonism is the fastest growing religion in the world. Johanson's clear and concise volume shows us the ideas, beliefs, and rites behind this faith.

Mormons and the Bible Mar 30 2021 Philip L. Barlow analyzes the approaches taken to the Bible by key Mormon leaders, from founder Joseph Smith up to the present day. This edition includes an updated preface and bibliography.

Annual Report of the Sunday School Union of the Methodist Episcopal Church Apr 11 2022

Sunday School Sep 04 2021 This engrossing book traces the social history of Protestant Sunday schools from their origins in the 1790s--when they taught literacy to poor working children--to their consolidation in the 1870s, when they had become the primary source of new church members for the major Protestant denominations. Anne M. Boylan describes not only the schools themselves but also their place within a national network of evangelical institutions, their complementary relationship to local common schools, and their connection with the changing history of youth and women in the nineteenth century. Her book is a signal contribution to our understanding of American religious and social history, education history, women's history, and the history of childhood.

Living Truths from the Book of Mormon Aug 23 2020

"This Is My Doctrine": The Development of Mormon Theology Nov 18 2022 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions.

LDS Sunday School Old Testament Lesson #3 Sep 16 2022 This year The Church of Jesus Christ of Latter-Day Saints is studying the Old Testament in Sunday School. This book covers Lesson #3, "The Creation". The Book of Mormon tells us that the original Book of Moses was written in Egyptian, so Travis Wayne Goodsell utilizes the Ancient Egyptian documents to explain the Creation Story as we currently have it and points out all the missing and incorrect information.

Home Mission Monthly Nov 13 2019

Knight of the Kingdom Jul 14 2022 Biography of Richard Ballantyne (1817-1898), who became a Mormon convert in 1842, followed shortly by his widowed mother and the rest of the family. They immigrated in 1843 from Scotland (via New Orleans) to Nauvoo, Illinois, and moved to Salt Lake valley in 1848. Richard married three times (in 1847, and polygamously in 1855 and 1856). In Utah, he began a Sunday School and the Church accepted and sponsored the Sunday School plan. In early 1853, Richard was called to be one of several missionaries who sailed for India, where he worked in the Madras District. They had some initial success, but also much publicity against them. Late in 1854, very ill, Richard was released to go home (via England). In England he was placed in charge of a company of Mormons immigrating to Utah; they arrived in September 1855. He moved to Eden and then Ogden, Utah, eventually spending much of his time with the Sunday School program of the Church.
