One Day at a Time Oct 16 2022 In 1960s Bristol, Susan's family was like any other with its joys and frustrations, making ends meet and fierce, working class loyalties. Then tragedy struck and left a legacy that was to last a lifetime. Susan was only nine when her mother was cruelly taken by Death. No one spoke of it, no one dared. And Susan—bright, inquisitive and with an answer for everything—was left frightened, baffled, and ready to fight back. A year later she was sent away to school. She didn't want to go and didn't understand why she had to. Why couldn't she stay at home with her brother and father? Why was everything going wrong in her life? In her struggle to cope with an uncertain world—a world where nothing seemed to make sense any more—she ends up pushing away the one person she loves best, her father. And as they try to find a way back to each other, they are forced to learn one of the hardest lessons of all—that no matter how angry they are with one another, and confused by life, no one can hurt them as much as they can each other, or love them as much either.

A Still Life Nov 24 2020 SHORTLISTED FOR THE BARBELLION PRIZE 2021 'A manifesto for recalibrating' DAILY MAIL 'I can't think of many books where the reader feels so passionately on the side of the narrator' GUARDIAN 'A profound redefinition of the very idea of vitality' FINANCIAL TIMES Josie George lives in a tiny terraced house in the urban West Midlands with her son. Since her early childhood, she has lived with the fluctuating and confusing challenge of disabling chronic illness. But Josie's world is surprising, intricate, dynamic. She has learned what to look for: the routines of her friends at the community centre; the neighbourhood birds in flight; the slow changes in the morning light, in her small garden, in her growing son, in herself. In January 2018, Josie sets out to tell the story of her still life, over the course of a year. As the seasons shift, and the tides of her body draw in and out, Josie begins to unfurl her history. And against a world which values progress and productivity above all else, Josie sets out a quietly radical alternative: to value and treasure life for life itself, with all its great and small miracles. Just One More Day Jan 19 2023 In 1960s Bristol, a family is overshadowed by tragedy While Susan, a typically feisty seven-year-old, is busy being brave, her mother, Eddress, is struggling for courage. Though bound by an indestructible love, their journey through a world that is darkening with tragedy is fraught with the kind of misunderstandings that bring as much laughter as pain, and as many dreams as nightmares. How does a child cope when faced with a wall of adult secrets? What does a mother do when her biggest fear starts to become a reality? Because it's the Sixties, and because it's shameful to own up to feelings, Eddress tries to deny the truth, while Susan creates a world that will never allow her mother to leave. Set in a world where a fridge is a luxury, cars have starting handles, and where bingo and coupons bring in the little extras, *Just One More Day* is a deeply moving true-life account, told by mother and daughter, of how the spectre of death moved into their family, and how hard they tried to pretend it wasn't there.

This is Not a Pity Memoir Apr 10 2022 Both very funny and as propulsive as a thriller . . . impossible to put down' RACHEL COOKE, Observer 'The kind of book you will find yourself saying urgently, over and over, to friends: 'Have you read it?'' CAITLIN MORAN 'Gripping, funny and always honest' DAVID NICHOLLS 'Extraordinary . . . utterly compelling and so honestly told' NIGELLA LAWSON 'Truly breathtaking. I could not have loved it more' CAREY MULLIGAN _____ An ordinary day. The end of ordinary life. One morning in June, Abi had her to-do list - drop the kids to school, get coffee and go to work. Jacob had a bad headache so she added 'pick up steroids'. She returned home and found the man she loved and fought and laughed with for twenty years lying on the bathroom floor. And nothing would ever be the same again. But this is not a pity memoir. It's about meeting your person. And crazed late night Google trawls. It's about the things you wished you'd said to the person that matters then wildly over-sharing with the barista who doesn't know you at all. It's about sushi and the wrong shoes and the moments you want to shout 'cut'. It's about the silence when you are lost in space and the importance of family and parties and noise. It's the difference between surviving and living. It's a reminder that, even in the worst times, there is light ahead. It's a love story.

You're Never Weird on the Internet (Almost) May 11 2022 The Internet isn't all cat videos. There's also Felicia Day -- violinist, filmmaker, Internet entrepreneur, compulsive gamer, hoagie specialist, and former lonely homeschooled girl who overcame her isolated childhood to become the ruler of a new world ... or at least semi-influential in the world of Internet Geeks and Goodreads book clubs. After growing up in the south where she was "homeschooled for hippie reasons", Felicia moved to Hollywood to pursue her dream of becoming an actress and was immediately typecast as a crazy cat-lady secretary. But Felicia's misadventures in Hollywood led her to produce her own web series, own her own production company, and become an Internet star. Felicia's short-ish life and her rags-to-riches rise to Internet fame launched her career as one of the most influential creators in new media. Now Felicia's strange world is filled with thoughts on creativity, video games, and a dash of mild feminist activism -- just like her memoir. Felicia's story demonstrates that everyone should embrace what makes them different and be brave enough to share it with the world, because anything is possible now -- even for a digital misfit.

An Apple a Day Jul 13 2022 "I haven't tasted chocolate for over ten years and now I'm walking down the street unwrapping a Kit Kat. Remember when Kate Moss said, 'Nothing tastes as good as skinny feels'? She's wrong: chocolate does." For Christmas I'm giving myself a fresh start. I have to get some extra pounds of weight under my belt; I want to make next year the year that everything changes. At the age of 32, Emma Woolf decided to face the biggest challenge

of her life: to let go of her addiction to hunger, exercise and control, and finally beat anorexia. Having met the man of her dreams (and wanting a future and a baby together), she decided it was time to stop starving and start living. And as if that wasn't enough pressure, Emma also agreed to chart her progress in a weekly column for The Times. Honest, hard-hitting and yet romantic, 'An Apple a Day' is a compelling and life-affirming true story of love and recovery.

Consent Sep 22 2020 "Consent" is a Molotov cocktail, flung at the face of the French establishment, a work of dazzling, highly controlled fury...By every conceivable metric, her book is a triumph." -- The New York Times Already an international literary sensation, an intimate and powerful memoir of a young French teenage girl's relationship with a famous, much older male writer—a universal #MeToo story of power, manipulation, trauma, recovery, and resiliency that exposes the hypocrisy of a culture that has allowed the sexual abuse of minors to occur unchecked. Sometimes, all it takes is a single voice to shatter the silence of complicity. Thirty years ago, Vanessa Springora was the teenage muse of one of the country's most celebrated writers, a footnote in the narrative of a very influential man in the French literary world. At the end of 2019, as women around the world began to speak out, Vanessa, now in her forties and the director of one of France's leading publishing houses, decided to reclaim her own story, offering her perspective of those events sharply known. Consent is the story of one precocious young girl's stolen adolescence. Devastating in its honesty, Vanessa's painstakingly memoir lays bare the cultural attitudes and circumstances that made it possible for a thirteen-year-old girl to become involved with a fifty-year-old man who happened to be a notable writer. As she recalls the events of her childhood and her seduction by one of her country's most notable writers, Vanessa reflects on the ways in which this disturbing relationship changed and affected her as she grew older. Drawing parallels between children's fairy tales and French history and her personal life, Vanessa offers an intimate and absorbing look at the meaning of love and consent and the toll of trauma and the power of healing in women's lives. Ultimately, she offers a forceful indictment of a chauvinistic literary world that has for too long accepted and helped perpetuate gender inequality and the exploitation and sexual abuse of children. Translated from the French by Natasha Lehrer "...One of the belated truths that emerges from [Consent] is that Springora is a writer. [...]Her sentences gleam like metal; each chapter snaps shut with the clean brutality of a latch." -- The New Yorker "Consent [is] rapier-sharp, written with restraint, elegance and brevity." -- The Times (London) "[Consent] has something steely in its heart, and it departs from the typical American memoir of childhood abuse in exhilarating ways." -- Slate "Lucid and nuanced...[Consent] will speak to trauma survivors everywhere." -- Los Angeles Review of Books "A piercing memoir about the sexually abusive relationship she endured at age 14 with a 50-year-old writer...This chilling account will linger with readers long after the last page is turned." -- Publishers Weekly "Springora's lucid account is a commanding discussion of sexual abuse and victimization, and a powerful act of reclamation." -- Booklist "A chilling story of child abuse and the sophisticated Parisians who looked the other way...[Springora] is an elegant and perceptive writer." -- Kirkus

_____ Christened Reginald Dwight, he was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with songwriting partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In Me Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend. _____ 'Self-deprecating, funny . . . You cannot help but enjoy his company throughout, temper tantrums and all' – The Times 'Racy, pacy and crammed with scurrilous anecdotes - what more could you ask from the rocket man' – Guardian (Book of the Week) 'Chatty, gossipy, amusing and at times brutally candid' – Telegraph

And Then One Day Dec 18 2022 Naseeruddin Shah's sparkling memoir of his early years, 'from zero to thirty-two', spans his extraordinary journey from a feudal hamlet near Meerut, to Catholic schools in Nainital and Ajmer, and finally to stage and film stardom in Mumbai. Brimming with delightful anecdotes as well as poignant, often painful revelations, this book is a tour de force.

Being Lolita Oct 24 2020 "Have you ever read *Lolita*?" So begins seventeen-year-old Alisson's metamorphosis from student to lover and then victim. A lonely and vulnerable high school senior, Alisson finds solace only in her writing and in a young, charismatic English teacher, Mr. North. He praises her as a special and gifted writer, and she blossoms under his support and his vision for her future. Mr. North gives Alisson a copy of *Lolita* to read, telling her it is a beautiful story about love. The book soon becomes the backdrop to a relationship that blooms from a simple crush into a forbidden romance, with Mr. North convincing her that theirs is a love affair rivalled only by Nabokov's masterpiece. But as time progresses and his hold on her tightens, Alisson is forced to evaluate how much of that narrative is actually a disturbing fiction. In the wake of what becomes a deeply abusive relationship, Alisson is faced again and again with the story of her past, from re-reading *Lolita* in college, to working with teenage girls, to becoming a professor of creative writing. It is only with that distance and perspective that she understands the ultimate power language has had on her and how to harness that power to tell her own true story. *Being Lolita* is a stunning coming-of-age memoir of obsession, passion and manipulation, shining a bright light on our shifting perceptions of consent, vulnerability and power. This is the story of what happens when a young woman realises her entire narrative must be rewritten and then takes back the pen to rewrite it.

One Day I Will Write About This Place Jan 07 2022 Binyavanga Wainaina tumbled through his middle-class Kenyan childhood out of kilter with the world around him. This world came to him as a chaos of loud and colourful sounds: the hair dryers at his mother's beauty parlour, black mamba bicycle bells, mechanics in Nairobi, the music of Michael Jackson - all punctuated by the infectious laughter of his brother and sister. He could fall in with their patterns, but it would take him a while to carve out his own. In this vivid and compelling debut, Wainaina takes us through his school days, his failed attempt to study in South Africa, a moving family reunion in Uganda, and his travels around Kenya. The landscape in front of him always claims his main attention, but he also evokes the shifting political scene that unsettles his views on family, tribe, and nationhood. Throughout, reading is his refuge and his solace. And when, in 2002, a writing prize comes through, the door is opened for him to pursue the career that perhaps had been beckoning all along. Resolutely avoiding stereotype and cliché, Wainaina paints every scene in *One Day I Will Write About This Place* with a highly distinctive and hugely memorable brush.

Vividly evoking the post-war era, Bragg draws an indelible portrait of all that formed him: a community-spirited northern town, still steeped in the old ways; the Lake District landscapes that inspired him; and the many remarkable people in his close-knit world. 'A charming account of a lost era, full of details and often lyrical descriptions of people and places . . . fascinating and often moving' Christina Patterson, Sunday Times

Give Us This Day Dec 14 2019 In June 1944, when 14-year-old Stefan Wisniewski stood by his mother's dusty Tehran grave, he knew his world was about to change again, forever. *Give Us This Day: A Memoir of Family and Exile* explores the story of one of the 732 Polish child survivors of wartime Soviet deportation offered unlikely refuge in New Zealand. Seventy years later, and no closer to a longed-for Polish homecoming, Stefan's New Zealand-born daughter revisits his past. What is the burden her father has carried all these years? And why is he unable--or unwilling--to let it go? With an aging father and the ghost of a namesake aunt as her guides, Helena Wisniewska Brow searches for meaning in the family lives shaped by exile: her father's, her mother's, and her own.

Dapper Dan: Made in Harlem Feb 25 2021 NEW YORK TIMES BESTSELLER • "Dapper Dan is a legend, an icon, a beacon of inspiration to many in the Black community. His story isn't just about fashion. It's about tenacity, curiosity, artistry, hustle, love, and a singular determination to live our dreams out loud."—Ava DuVernay, director of *Selma*, *13th*, and *A Wrinkle in Time* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY VANITY FAIR • DAPPER DAN NAMED ONE OF TIME'S 100 MOST INFLUENTIAL PEOPLE IN THE WORLD With his now-legendary store on 125th Street in Harlem, Dapper Dan pioneered high-end streetwear in the 1980s, remixing classic luxury-brand logos into his own innovative, glamorous designs. But before he reinvented haute couture, he was a hungry boy with holes in his shoes, a teen who daringly gambled drug dealers out of their money, and a young man in a prison cell who found nourishment in books. In this remarkable memoir, he tells his full story for the first time. Decade after decade, Dapper Dan discovered creative ways to flourish in a country designed to privilege certain Americans over others. He witnessed, profited from, and despised the rise of two drug epidemics. He invented stunningly bold credit card frauds that took him around the world. He paid neighborhood kids to jog with him in an effort to keep them out of the drug game. And when he turned his attention to fashion, he did so with the energy and curiosity with which he approaches all things: learning how to treat fur himself when no one would sell finished fur coats to a Black man; finding the best dressed hustler in the neighborhood and converting him into a customer; staying open twenty-four hours a day for nine years straight to meet demand; and, finally, emerging as a world-famous designer whose looks went on to define an era, dressing cultural icons including Eric B. and Rakim, Salt-N-Pepa, Big Daddy Kane, Mike Tyson, Alpo Martinez, LL Cool J, Jam Master Jay, Diddy, Naomi Campbell, and Jay-Z. By turns playful, poignant, thrilling, and inspiring, *Dapper Dan: Made in Harlem* is a high-stakes coming-of-age story spanning more than seventy years and set against the backdrop of an America where, as in the life of its narrator, the only constant is change. Praise for *Dapper Dan: Made in Harlem* "Dapper Dan is a true one of a kind, self-made, self-liberated, and the sharpest man you will ever see. He is couture himself."—Marcus Samuelsson, New York Times bestselling author of *Yes, Chef* "What James Baldwin is to American literature, Dapper Dan is to American fashion. He is the ultimate success saga, an iconic fashion hero to multiple generations, fusing street with high sartorial elegance. He is pure American style."—André Leon Talley, *Vogue* contributing editor and author

Every Day Is a Gift Jun 12 2022 AN INSTANT NEW YORK TIMES BESTSELLER! Learn the incredible story of Illinois senator and Iraq War veteran Tammy Duckworth and see what inspired her to follow the path that made her who she is today. In *Every Day Is a Gift*, Tammy Duckworth takes readers through the amazing—and amazingly true—stories from her incomparable life. In November of 2004, an Iraqi RPG blew through the cockpit of Tammy Duckworth's U.S. Army Black Hawk helicopter. The explosion, which destroyed her legs and mangled her right arm, was a turning point in her life. But as Duckworth shows in *Every Day Is a Gift*, that moment was just one in a lifetime of extraordinary turns. The biracial daughter of an American father and a Thai-Chinese mother, Duckworth faced discrimination, poverty, and the horrors of war—all before the age of 16. As a child, she dodged bullets as her family fled war-torn Phnom Penh. As a teenager, she sold roses by the side of the road to save her family from hunger and homelessness in Hawaii. Through these experiences, she developed a fierce resilience that would prove invaluable in the years to come. Duckworth joined the Army, becoming one of a handful of female helicopter pilots at the start of Operation Iraqi Freedom. She served eight months in Iraq before an insurgent's RPG shot down her helicopter, an attack that took her legs—and nearly took her life. She then spent thirteen months recovering at Walter Reed, learning to walk again on prosthetic legs and planning her return to the cockpit. But Duckworth found a new mission after meeting her state's senators, Barack Obama and Dick Durbin. After winning two terms as a U.S. Representative, she won election to the U.S. Senate in 2016. And she and her husband Bryan fulfilled another dream when she gave birth to two daughters, becoming the first sitting senator to give birth. From childhood to motherhood and beyond, *Every Day Is a Gift* is the remarkable story of one of America's most dedicated public servants.
