Primer Jun 19 2020 Primer introduces a brand-new superhero with a colorful array of superpowers. Ashley Rayburn is an upbeat girl with a decidedly downbeat past. Her father is a known criminal who now sits in federal prison, but still casts a shadow over Ashley's life. Ashley has bounced from foster home to foster home and represents a real challenge to the social workers who try to help her-not because she's inherently bad, but because trouble always seems to find her. Ashley's latest set of (presumably

short-term) foster parents are Kitch and Yuka Nolan. Like Ashley, Kitch is an artist, while Yuka is a geneticist working for a very high-level tech company that's contracted out to work for the government and the military. And it's Yuka's latest top-secret project that has her concerned. Developed for the military, it's a set of body paints that, when applied to the wearer, grant them a wide range of special powers. Fearful that this invention will be misused, Yuka sneaks the set of paints home. Ashley comes home from school one day with her new friend Luke and, thinking that the Nolans have purchased a surprise gift for her upcoming birthday, finds the set of paints. It isn't long before she realizes that she's stumbled upon something much bigger...and a lot more dangerous. Although she uses her newly discovered powers for good, it's not long before the military becomes wise to what happened to their secret weapon. And this spells big trouble not only for Ashley, but for her newfound family and friends, as well.

The Secret Garden Oct 12 2019 Green-growing secrets and powerful magic await you at Misselthwaite Manor, now reimaged in this bewitching graphic novel adaptation of Frances Hodgson Burnett’s beloved tale. From Mariah Marsden, author of the critically acclaimed Anne of Green Gables: A Graphic Novel, comes the second installment in this series of retold children’s classics. Ten-year-old Mary Lennox arrives at a secluded estate on the Yorkshire moors with a scowl and a chip on her shoulder. First, there’s Martha Sowerby: the too-cheery maid with bothersome questions who seems out of place in the dreary manor. Then there’s the elusive Uncle Craven, Mary’s only remaining family—whom she’s not permitted to see. And finally, there are the mysteries that seem to haunt the run-down place: rumors of a lost garden with a tragic past, and a midnight wail that echoes across the moors at night. As Mary begins to explore this new world alongside her ragtag companions—a cocky robin redbreast, a sour-faced gardener, and a boy who can talk to animals—she learns that even the loneliest of hearts can grow roots in rocky soil. Given new life as a graphic novel in illustrator Hanna Luechtefeld’s whimsical style, *The Secret Garden* is more enchanting and relevant than ever before. At the back of the book, readers can learn about the life of Frances Hodgson Burnett and the history of British colonialism that contextualizes the original novel.

Daybreak Aug 02 2021 The cult classic zombie graphic novel: now a Netflix original series! You wake up in the rubble and see a ragged, desperate one-armed man greeting you. He takes you underground to a safe space, feeds you, offers you a place to sleep, and then announces that he’ll take the first watch. What transpires is a moment-to-moment struggle for survival-The Road meets Dawn of the Dead. *Daybreak* is seen through the eyes of a silent observer as he runs from the shadows of the imminent zombie threat. Brian Ralph slowly builds the tension of the zombies on the periphery, letting the threat-rather than the actual carnage-be the driving force. The post-apocalyptic backdrop

Drawing inspiration from horror movies, television, and first-person shooter video games, Daybreak departs from zombie genre in both content and format, achieving a living-dead masterwork of literary proportions. When released in 2011, Daybreak was a critical success, a YALSA Great Graphic Novel for Teens, and a TLA Maverick Graphic Novel. Now for the first time, Daybreak is being adapted into a Netflix Original series, executive produced by Aron Eli Coleite (Star Trek: Discovery, Heroes), Brad Peyton (Frontier, Rampage), and Jeff Fierson (Frontier, Rampage), starring Matthew Broderick.
