Discovering Folk Music Feb 26 2021

Explores the role folk music has played in American history, highlighting songs, musicians, and events that defined folk music and its evolution.

Political Folk Music in America from Its Origins to Bob Dylan Aug 03 2021 Many American folk singers have tried to leave their world a better place by writing songs of social protest. Musicians like Woody Guthrie, Leadbelly, Pete Seeger, Bob Dylan, and Joan Baez sang with fierce moral voices to transform what they saw as an uncaring society. But the personal tales of these guitar-toting idealists were often more tangled than the comparatively pure vision their art would suggest. Many singers produced work in the midst of personal failure and deeply troubled relationships, and under the influence of radical ideas and organizations. This provocative work examines both the long tradition of folk music in its American political context and the lives of those troubadours who wrote its most enduring songs.

Folk and Fairy Tales Jan 08 2022 "This reference is a convenient introduction to folk and fairy tales for students and general

readers. Ashliman looks at tales from around the world and from diverse cultures. The book defines and classifies folk and fairy tales and analyzes a number of examples. It also studies the varied manifestations of folk and fairy tales in literature and culture, and reviews critical and scholarly approaches to this folklore genre."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The Late Victorian Folksong Revival Dec 27 2020 This book traces the early history of the first English folksong revival during the late Victorian era, focusing on the work of three prominent song collectors, Sabine Baring-Gould, Frank Kidson and Lucy Broadwood. It follows E. David Gregory's earlier book, *Victorian Songhunters*, continuing the story of English folksong collecting from when that book left off, and is copiously illustrated with examples of the folksongs collected during these years.

Folk and Fairy Tales - Fourth Edition Nov 18 2022 This anthology of folk and fairy tales brings together 52 stories from a range of historical and geographic traditions. Sections group tales together by theme or juxtapose variations of individual tales, inviting comparison and analysis across cultures and genres. An accessible section of critical selections provides a foundation for readers to analyze, debate, and interpret the tales for themselves. An expanded introduction by the editors looks at the history of folk and fairy tales and distinguishes between the genres, while revised introductions to individual sections provide more detailed history of particular tellers and tales, paying increased attention to the background and cultural origin of each tale. A selection of illustrations from editions of classic tales from the 19th to the 21st centuries is also included. This new edition includes a larger selection of critical articles, more modern and cross-cultural variations on classic tales, and an expanded discussion of illustrations.

Only in the Common People Aug 23 2020 "corrupt and moronic though the common people are seemingly becoming ... only in the common people can the true work be rooted, the true tradition rediscovered and re-informed" Charles Parker, BBC Radio Producer 1959. In 1958, in his best-selling book *Culture and Society*, Raymond Williams identified working-class culture as 'a key issue in our own time'. Why this happened and how this subject was thought about and acted upon is the focus of this book. Paul Long investigates a variety of projects and practices that were designed to describe, validate, reclaim, rejuvenate or generate 'authentic' working-class culture as part of the re-imagining of Britishness in the context of the post-war settlement. Detailed case studies cover the wartime cultural activities of CEMA - the forerunner of the Arts Council - the Folk Revival, the impact of Richard Hoggart's *The Uses of Literacy*, broadcasting and the radio work of Charles Parker, Ewan MacColl and Peggy Seeger, the roots of modern arts festivals in Arnold

Wesker's Centre 42 project as well as the impact of progressive education on children's writing and the politics of the English language. 'Only in the Common People: The Aesthetics of Class in Post-War Britain' examines the assumptions, idealism and prejudices behind these projects and the terms of class as 'the preoccupation of a generation'. This approach offers a historicisation of the broader ideas and debates that informed the development of the New Left and British social history and cultural theory, offering an understanding of the rise of respect for 'the common man'.

A Crack about the Kirk for kintra folk. Second edition. (A second crack ... Third edition. A third Crack, etc.) [By Norman Macleod.] Sep 16 2022

Sourcebook for Research in Music, Third Edition Apr 11 2022 Since it was first published in 1993, the Sourcebook for Research in Music has become an invaluable resource in musical scholarship. The balance between depth of content and brevity of format makes it ideal for use as a textbook for students, a reference work for faculty and professional musicians, and as an aid for librarians. The introductory chapter includes a comprehensive list of bibliographical terms with definitions; bibliographic terms in German, French, and Italian; and the plan of the Library of Congress and the Dewey Decimal music classification systems. Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items, this updated and expanded edition accounts for the rapid growth in new editions of standard works, in fields such as ethnomusicology, performance practice, women in music, popular music, education, business, and music technology. These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come. *Sussex Folk and Sussex Ways, Etc. (Third Edition, Revised.).* May 12 2022

Portraits and Saga Poems 1979-1991 3rd Edition Sep 23 2020 The first of two volumes of poetry, of poems written by Carmel Dylan between 1979 and 1991. There are approximately 50 poems in this collection, written in New York, California, in Paris, and on the French and Greek island chains. "Portraits and Saga Poems 1979-1991" was first published by Carmel Dylan under the title "Under a Soft and Summer Wind, volume 1, Poems 1979-1991". This edition is a 6"x9" book.

Traditional Folk Song in Modern Japan Jul 22 2020 The Japanese say that 'folk song is the heart's home town'. Traditional folk songs (min'yo) from the countryside are strongly linked to their places of origin and continue to play a role there. Today, however, they are also taught as a quasi-art music, arranged for stage and television, quoted in Westernized popular songs and so forth.

American Folk Songs: A Regional Encyclopedia [2 volumes] Jun 01 2021 This state-by-state collection of folksongs describes the history, society, culture, and events characteristic of all fifty states. Unlike all other state folksong collections, this one does not

focus on songs collected in the particular states, but rather on songs concerning the life and times of the people of that state. The topics range from the major historical events, such as the Boston Tea Party, the attack on Fort Sumter, and the California Gold Rush, to regionally important events such as disasters and murders, labor problems, occupational songs, ethnic conflicts. Some of the songs will be widely recognized, such as Casey Jones, Marching Through Georgia, or Sweet Betsy from Pike. Others, less familiar, have not been reprinted since their original publication, but deserve to be studied because of what they tell about the people of these United States, their loves, labors, and losses, and their responses to events. The collection is organized by regions, starting with New England and ending with the states bordering the Pacific Ocean, and by states within each region. For each state there are from four to fifteen songs presented, with an average of 10 songs per state. For each song, a full text is reprinted, followed by discussion of the song in its historical context. References to available recordings and other versions are given. Folksongs, such as those discussed here, are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories. These songs, in a sense, are history writ small. Includes: Away Down East, The Old Granite State, Connecticut, The Virginian Maid's Lament, Carry Me Back to Old Virginy, I'm Going Back to North Carolina, Shut up in Cold Creek Mine, Ain't God Good to Iowa?, Dakota Land, Dear Prairie Home, Cheyenne Boys, I'm off for California, and others.

The Story of Religion in England Jul 14 2022

The Story of Religion in England - A Book for Young Folk. Third Edition is an unchanged, high-quality reprint of the original edition of 1883. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Folk Arts and Social Communication May 20 2020 In a traditional society like India, art is the Integral part of the general life of the people. The urge to express, communicate and share something beautiful gave birth to performing arts. Folk performing art is changing its structure , continuously modifying itself to the needs of the changing situation making it functionally relevant to the society. All this has been effectively brought out in this book.

English Folk Song. Some Conclusions ... Revised by Maud Karpeles, Etc. (Third Edition.). Jul 02 2021

Ethnomusicology Oct 13 2019 First published in 2011. Routledge is an imprint of Taylor & Francis, an informa company.

[Oral Traditions in Contemporary China](#) Mar 30 2021 Through a historical survey and analyses of oral traditions like fairy tales, proverbs, and ballads, among others, that are still in vigorous

practice in China today, this informative and stimulating book proposes a theoretical framework for interpreting how and why traditions continue or discontinue in any culture.

[Publications of the American Folklife Center](#) Oct 25 2020

The Greenwood Encyclopedia of Folktales and Fairy Tales Aug 15 2022 Provides alphabetically arranged entries on folk and fairy tales from around the world, including information on authors, subjects, themes, characters, and national traditions.

The Popular Religion and Folk-Lore of Northern India, Vol. II of II Oct 05 2021

The belief in the baneful influence of the Evil Eye prevails widely. According to Pliny, it was one of the special superstitions of the people of India, and at the present day it forms an important part of the popular belief. But the investigation of its principles is far from easy. It is very closely connected with a number of kindred ideas on the subject of diabolical influence, and few natives care to speak about it except in a furtive way. In fact, it is far too serious a matter to be discussed lightly.

Walking about villages, you will constantly see special marks on houses, and symbols and devices of various kinds, which are certainly intended to counteract it; but hardly any one cares directly to explain the real motive, and if you ask the meaning of them, you will almost invariably be told that they are purely decorative, or that they have been made with some object which obviously conceals the real basis of the practice. One, and perhaps the most common theory of the Evil Eye is that Ówhen a child is born, an invisible spirit is born with it; and unless the mother keeps one breast tied up for forty days, while she feeds the child with the other (in which case the spirit dies of hunger), the child grows up with the endowment of the Evil Eye, and whenever any person so endowed looks at anything constantly, something will happen to it.Ó So, in Ireland we are told that Óthe gift comes by Nature and is born with one, though it may not be called into exercise unless circumstances arise to excite the power; then it comes to act like a spirit of bitter and malicious envy that radiates a poisonous atmosphere, which chills and blights everything within its reach.Ó

Encyclopedia of American Folklife Mar 10 2022 American folklife is steeped in world cultures, or invented as new culture, always evolving, yet often practiced as it was created many years or even centuries ago. This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America - from barn raisings to the Internet, tattoos, and Zydeco - through expressions that include ritual, custom, crafts, architecture, food, clothing, and art. Featuring more than 350 A-Z entries, "Encyclopedia of American Folklife" is wide-ranging and inclusive. Entries cover major cities and urban centers; new and established immigrant groups as well as native Americans; American territories, such as Guam and Samoa; major issues, such as education and intellectual property; and expressions of material culture, such as homes, dress, food, and crafts. This encyclopedia covers notable folklife areas as well as general regional categories. It addresses religious groups (reflecting diversity within groups such as the Amish and the Jews),

age groups (both old age and youth gangs), and contemporary folk groups (skateboarders and psychobillies) - placing all of them in the vivid tapestry of folklife in America. In addition, this resource offers useful insights on folklife concepts through entries such as "community and group" and "tradition and culture." The set also features complete indexes in each volume, as well as a bibliography for further research.

Reader's Guide to Music Jun 13 2022 The Reader's Guide to Music is designed to provide a useful single-volume guide to the ever-increasing number of English language book-length studies in music. Each entry consists of a bibliography of some 3-20 titles and an essay in which these titles are evaluated, by an expert in the field, in light of the history of writing and scholarship on the given topic. The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked (from early chant to rock and roll) and topics important to the various disciplines of music scholarship (from aesthetics to gay/lesbian musicology).

Reminiscences of the Pen' Folk Nov 06 2021

Reminiscences of the Pen' Folk - Paisley Weavers of other Days. Third Edition is an unchanged, high-quality reprint of the original edition of 1889. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Notes and Sources for Folk Songs of the Catskills Feb 09 2022 Notes and Sources to Folk Songs of the Catskills, also published by the State University of New York Press, is the companion volume to Folk Songs of the Catskills. It contains extensive reference notes that exemplify and support detailed citations in the commentary preceding each song. The book also includes a comprehensive list of sources, including books, broadsides or pocket songsters, disc recordings, music publications, periodicals, tape archives, and other miscellaneous material, as well as information on variants, adaptations, comments or references, texts, and tunes. These notes are designed to provide succinct reference information.

Exploring American Folk Music Oct 17 2022

Exploring American Folk Music: Ethnic, Grassroots, and Regional Traditions in the United States reflects the fascinating diversity of regional and grassroots music in the United States. The book covers the diverse strains of American folk music--Latin, Native American, African, French-Canadian, British, and Cajun--and offers a chronology of the development of folk music in the United States. The book is divided into discrete chapters covering topics as seemingly disparate as sacred harp singing, conjunto music, the folk revival, blues, and ballad singing. It is among the few textbooks in American music that recognizes the importance and contributions of Native Americans as well as those who live, sing, and perform music along our borderlands, from the French speaking citizens in northern Vermont to the

extensive Hispanic population living north of the Rio Grande River, recognizing and reflecting the increasing importance of the varied Latino traditions that have informed our folk music since the founding of the United States. Another chapter includes detailed information about the roots of hip hop and this new edition features a new chapter on urban folk music, exploring traditions in our cities, with a case study focusing on Washington, D.C. *Exploring American Folk Music* also introduces you to such important figures in American music as Bob Wills, Lydia Mendoza, Bob Dylan, and Muddy Waters, who helped shape what America sounds like in the twenty-first century. It also features new sections at the end of each chapter with up-to-date recommendations for "Suggested Listening," "Suggested Reading," and "Suggested Viewing."

Introducing American Folk Music Jun 20 2020

Worldwide Perspectives on Lesbians, Gays, and Bisexuals [3 volumes] Mar 18 2020 This three-volume set is a rich resource for readers in any discipline interested in understanding the global, regional, and domestic experiences of LGB people. This interdisciplinary set makes a vital contribution to understanding how LGB rights are progressing—and in some cases, regressing—around the globe. The three volumes look at the lived experiences of LGB people from varied perspectives and provide comprehensive coverage on a wide variety of topics ranging from LGB youth and LGB aging to the approaches to LGB people of different religions, including Islam, Judaism, and Christianity. Chapters focus on topics including the ongoing criminalization of same-sex sexual conduct and how international human rights law can be used to improve the lives of LGB people. Particular attention is paid to the rights of bisexuals, a group often ignored in works focusing on sexual orientation. Volume 1 focuses on history, politics, and culture relating to LGB people; Volume 2 focuses on the laws—domestic and international—governing LGB people; and Volume 3 provides snapshots of the current state of LGB experience in countries worldwide, presented by geographical region: Europe, the Americas, Africa, the Middle East and the Asia Pacific region. Includes contributions on the experience of LGB people in countries and regions that are extremely hostile to sexual minorities, including Russia, Iran, the Caribbean, Zimbabwe, and Uganda. Considers a multitude of factors that influence LGB people's quality of life, including, health, education, the economy, technology, religion, and the law. Offers comprehensive domestic, regional, and international accounts, serving as a one-stop source for in-depth, quality global research on LGB people. Addresses the intersectionality of discrimination based on sexuality and race, religion, and age.

The Original Folk and Fairy Tales of the Brothers Grimm Dec 07 2021 The original vision of Grimms' tales in English for the first time When Jacob and Wilhelm Grimm published their *Children's and Household Tales* in 1812, followed by a second volume in 1815, they had no idea that such stories as "Rapunzel," "Hansel and Gretel," and "Cinderella" would become the most celebrated in the world. Yet few people today are familiar with the majority of tales

from the two early volumes, since in the next four decades the Grimms would publish six other editions, each extensively revised in content and style. For the very first time, *The Original Folk and Fairy Tales of the Brothers Grimm* makes available in English all 156 stories from the 1812 and 1815 editions. These narrative gems, newly translated and brought together in one beautiful book, are accompanied by sumptuous new illustrations from award-winning artist Andrea Dezsö. From "The Frog King" to "The Golden Key," wondrous worlds unfold—heroes and heroines are rewarded, weaker animals triumph over the strong, and simple bumpkins prove themselves not so simple after all. Esteemed fairy tale scholar Jack Zipes offers accessible translations that retain the spare description and engaging storytelling style of the originals. Indeed, this is what makes the tales from the 1812 and 1815 editions unique—they reflect diverse voices, rooted in oral traditions, that are absent from the Grimms' later, more embellished collections of tales. Zipes's introduction gives important historical context, and the book includes the Grimms' prefaces and notes. A delight to read, *The Original Folk and Fairy Tales of the Brothers Grimm* presents these peerless stories to a whole new generation of readers.

Music of the Peoples of the World Nov 25 2020 *MUSIC OF THE PEOPLES OF THE WORLD, THIRD EDITION*, takes a survey approach to world music, covering 11 music cultures. This text focuses on how to listen to and appreciate the music of different cultures, appropriate for students who are not music majors. The text also explores geography and history, allowing students to connect the music to its social context. Listening skills are developed through spotlights on non-Western instruments, and 30 listening guides track the audio step by step, pointing listeners to important characteristics of the piece. Many full-color photos and graphics of instruments, musicians, and cultural events help students understand the context of music in countries with which they may be unfamiliar. The listening guides, an available 2-CD set (with full selections that help students hear significant differences among the music cultures), and Active Listening Tools (allowing students to view instruments and cultural settings while they listen to musical excerpts) further enhance listening and understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

English Folk Song... [3rd Edition] Revised by Maud Karpeles... Feb 21 2023

American Children's Folklore Apr 18 2020 Front cover: A book of rhymes, games, jokes, stories, secret languages, beliefs and camp legends, for parents, grandparents, teachers, counselors and all adults who were once children.

Rebuilding an Enlightened World Nov 13 2019 Today, the long-assumed belief in the permanence of an enlightened world is suddenly open to challenge. Human rights, participatory government, and social justice are losing global influence, and the world of ordinary people is pushing back against Enlightenment conceits. Accumulated anger links Taliban, Tea Party, and Trump, threatening women's rights, social justice, and

democracy. To understand and counteract the threat to these ideas, we must set aside embedded explanations and embrace a new frame of observation and tolerance grounded in the power of belief, legend, and tradition. In *Rebuilding an Enlightened World*, Bill Ivey explores how folklore offers a unique and compelling new way to understand the underlying forces disrupting the world today. If we are to salvage the best of the Enlightenment dream and build a better future, we must begin to listen, patiently and inquisitively, in order to interpret the customs, norms, and traditional practices that shape all human behavior.

The Evolution of Horror in the Twenty-First Century Jan 16 2020 "The Evolution of Horror in the Twenty-First Century explores the many aspects of the horror genre across thematics and media in the 2020s. Consisting of 21 chapters by experts in the field, this book examines how horror reveals the anxieties around our current cultural moment and how that might develop in the future"--

Folk and Fairy Tales, third edition Jan 20 2023 Offers a broad selection of tales, grouped by theme and era, as well as variants of individual tales that invite cross-cultural and comparative analysis. Each group is preceded by an introduction by the editors. Also included is a section on the illustration of fairy tales.

Vidokoni. (Buku Laciviri.) Third Edition.

Tumbuka Folk Tales Feb 15 2020 *Central European Folk Music* Dec 15 2019 First Published in 1996. Routledge is an imprint of Taylor & Francis, an informa company.

The Oxford Handbook of American Folklore and Folklife Studies Jan 28 2021 "This handbook surveys the materials, approaches, contexts, and applications of American folklore and folklife studies to guide students and scholars of American folklore, culture, history, and society in the future. In addition to longstanding areas in the 350-year legacy of the subject's study and applications such as folktales and speech, the handbook includes exciting fields that have emerged in the twenty-first century such as the Internet, bodylore, folklore of organizations and networks, sexual orientation, neurodiverse identities, and disability groups. These studies encompass cultural traditions in the United States ranging

from bits of slang in private conversations to massive public demonstrations, ancient beliefs to contemporary viral memes, and a simple handshake greeting to festivals encompassing multiple genres and groups. Folklore and folklife studies include material traditions such as buildings and crafts as well as oral and social genres of dance, ritual, drama, and play. Whereas the use of lore often emphasizes speech, song, and story that all people express, the rhetoric of life draws attention to tradition-centered communities such as the Amish and Hasidim, occupational groups and their workaday worlds, and children and other age groups. Significant to the American context has been the cultural diversity and changing national boundaries of the United States, relative youth of the nation and its legacy of mass immigration, mobility of residents and their relation to an indigenous and racialized population, and a varied landscape and settlement pattern. The handbook is a reference, therefore, to American studies as well as the global study of tradition, folk arts, and cultural practice"--

Folk Devils and Moral Panics Dec 19 2022

'Richly documented and convincingly presented' -- New Society Mods and Rockers, skinheads, video nasties, designer drugs, bogus asylum seekers and hoodies. Every era has its own moral panics. It was Stanley Cohen's classic account, first published in the early 1970s and regularly revised, that brought the term 'moral panic' into widespread discussion. It is an outstanding investigation of the way in which the media and often those in a position of political power define a condition, or group, as a threat to societal values and interests. Fanned by screaming media headlines, Cohen brilliantly demonstrates how this leads to such groups being marginalised and vilified in the popular imagination, inhibiting rational debate about solutions to the social problems such groups represent. Furthermore, he argues that moral panics go even further by identifying the very fault lines of power in society. Full of sharp insight and analysis, *Folk Devils and Moral Panics* is essential reading for anyone wanting to understand this powerful and enduring phenomenon. Professor Stanley Cohen is Emeritus Professor of Sociology at the London

School of Economics. He received the Sellin-Glueck Award of the American Society of Criminology (1985) and is on the Board of the International Council on Human Rights. He is a member of the British Academy.

Arubafarina Sep 04 2021 Harnessing the Magic of Fairies and other hidden creatures. Discover how magical life truly is. During one, enchanting week in November 2006, millions of fairies, elves, dwarfs and other "fairy folk" returned to Earth from constellations throughout the Cosmos. This incredible book documents their arrival and the sacred gifts they brought to Earth. Its pages are filled with fairy magic: spells from Lyra, potions from Venus, and secrets from the Pleiades and Andromeda, never-before revealed to humanity. For the first time, Almine shares photographs that capture beings in higher dimensions; including fairies who gathered here to witness the miracles of this sacred week when stunning events marked the Earth's re-emergence in her full glory to take her rightful place in the Cosmos. *Arubafarina* is a book like no other. It was produced to herald the imminent removal of the veils between the realms.
