These essays on nine women  
artists are framed by the  
question, born of feminism,  
"What evaluative criteria can  
be applied to women's art?"

Since the 1970s Rosalind Krauss has been exploring the art of painters, sculptors, and photographers, examining the intersection of these artists concerns with the major currents of postwar visual culture: the question of the commodity, the status of the subject, issues of representation and abstraction, and the viability of individual media. These essays on nine women artists are framed by the question, born of feminism, "What evaluative criteria can be applied to women's art?" In the case of surrealism, in particular, some have claimed that surrealist women artists must either redraw the lines of their practice or participate in

the movement's misogyny. Krauss resists that claim, for these "bachelors" are artists whose expressive strategies challenge the very ideals of unity and mastery identified with masculinist aesthetics. Some of this work, such as the "part object" (Louise Bourgeois) or the "formless" (Cindy Sherman) could be said to find its power in strategies associated with such concepts as *écriture féminine*. In the work of Agnes Martin, Eva Hesse, or Sherrie Levine, one can make the case that the power of the work can be revealed only by recourse to another type of logic altogether. *Bachelors* attempts to do justice to these and other

artists (Claude Cahun, Dora Maar, Louise Lawler, Francesca Woodman) in the terms their works demand. handsome pastry chef stirs  
things up for a Parisian

chocolatier in this charming romantic comedy by the author of *The Chocolate Thief*. The Heart of Paris Welcome to La Maison des Sorcieres. Where the window display is an enchanted forest of sweets, a collection of conical hats delights the eye and the habitués nibble chocolate wiches from fanciful mismatched china. While in their tiny blue kitchen, Magalie Chaudron and her two aunts stir wishes into bubbling pots of heavenly chocolat chaud. But no amount of wishing will rid them of interloper Philippe Lyonais, who has the gall to open one of his world-famous pastry shops right down the street. Philippe's creations

seem to hold a magic of their own, drawing crowds of beautiful women to their little isle amidst the Seine, and tempting even Magalie to venture out of her ivory tower and take a chance, a taste . . . a kiss. Parisian princesses, chocolate witches, pâtissier princes and sweet wishes—an enchanting tale of amour et chocolat. Praise for *The Chocolate Kiss* “A mouth-watering tale of slow-burning passion and combustible consummation that’s as perfectly crafted as the hero’s surprisingly complex confections and as silky and addictive as the heroine’s dark chocolat chaud. Sensuous and sumptuous, *The Chocolate Kiss*

leaves its reader with one thought: Mon Dieu, I have got to get myself to Paris!” —RT Book Reviews “The battle of pastries is an erotic subtext for their love affair, and every bit as decadent.” —Publishers Weekly “An adorable chocolate shop and heroine, a sexy pastry chef and a hot romance set in Paris. I highly recommend this one.” —Smexy Books Childhood friends Tristan Rosier might have asked Malorie Monsard to marry him when he was five years old, but things had only gone downhill from there. She’d spent the rest of their lives ignoring him, abandoning him, and destroying his perfumes. Now she was back, to wreak who knew what havoc

on his life. Lifelong enemies Tristan might choose to dismiss the generations-long enmity between their two families, but Malorie didn't have that privilege. Like all the other privileges wealthy, gorgeous Tristan took for granted that she couldn't. But if she was going to restore her family company to glory, she might just need his help. Or the perfect match? They'd known each other all their lives. Could these childhood friends and lifelong enemies ever uncross their stars and find happily ever after? RT Magazine calls her works "silky and addictive", nominating Florand for Best Book of the Year, Publishers Weekly says they're

"decadent", and Library Journal says they're as "sexy and flirtatious as... poignant and caring". Now international bestselling author Laura Florand brings you her sexiest, sweetest romance to date: All for You. Some crushes aren't meant to be. When her older brother's best friend left to join the Foreign Legion, eighteen-year-old Célie moved on to make a life for herself as a Paris chocolatier. Now, five years later, the last thing she needs is another man to mess up her happiness. Let alone the same man. But five years in the Foreign Legion is a long time for a man to grow up, and a long time to be away from the woman he loves. Especially

when he did it all for her. Half strangers, more than friends, and maybe, if Joss Castel has his way, a second chance... Praise for Laura Florand and her novels "Silky and addictive." - RT Book Reviews Seal of Excellence "Florand outdoes herself with this exquisite confection... painstakingly crafted and decadent as the sweets it portrays, leaving the reader longing for just one little taste." - Publishers Weekly Starred Review "Chocolate, Paris, and a Greek god for a hero; this delectable confection has it all!" - Library Journal Starred Review "(Florand) captures the nature of love, its fierce, soul-warming necessity

in a way that will make you as happy as the finest bonbon could." - Eloisa James, NYT bestselling author "A poignant, lovely, moving, authentic story." - Virginia Kantra, NYT bestselling author Seduction and Passion Guaranteed Will the Frenchman discover he has a secret son? Tabby fell in love with Christien Laroche, but then tragedy struck and Christien wanted nothing more to do with her. How could Tabby confess to the arrogant Frenchman that she was expecting his baby? Now Tabby has made a new life for herself and her son. I Love You Always is an ode to motherly love that approaches a timeless topic with elegant simplicity and

refreshing honesty. With a simple question, "Mom, will you love me my whole life?" Archibald sparks the most honest and relatable of answers from his mother, who goes on to tell her son about all the moments in life through which she loves him. "I love you when you behave and when your good behavior doesn't last" and "I love you when you look your best and when you're feeling your worst" are some of the scenes author Astrid Desbordes and illustrator Pauline Martin succeed in depicting with heartwarming candidness. A refreshing take on a timeless subject, I Love You Always beautifully recounts a mother's

unconditional love for her child. Romantic Times acclaims Laura Florand's work as "sensuous and sumptuous", nominating her for Best Book of 2013, and NPR says it's "explosive, sensual . . . and utterly sweet". Now, in her sixth book in the award-winning Amour et Chocolat series, Florand takes us into a top Paris restaurant's pastry kitchen and into the hearts and irresistible temptations of its chefs. She hated him. Patrick Chevalier. The charming, laid-back, golden second-in-command of the Paris pastry kitchen where Sarah worked as intern, who made everything she failed at seem so easy, and who could have every woman

he winked at falling for him without even trying. She hated him, but she'd risked too much for this dream to give up on it and walk out just so he wouldn't break her heart. But he didn't hate her. Sarah Lin. Patrick's serious, dark-haired American intern, who looked at him as if she could see right through him and wasn't so impressed with what she saw. As her boss, he knew he should leave her alone. The same way he knew better than to risk his heart and gamble on love. But he was never good at not going after what - or who - he wanted. He could make magic out of sugar. But could he mold hate into love? PRAISE FOR LAURA FLORAND AND HER

in this romp that captures the extravagance of the Roaring Twenties and the dangers of vigilante justice. A ravishing young mind reader stalks the streets at night in kitten heels, prowling for men to murder. A soft-spoken genius toils away in the city morgue, desperate to unearth the science behind his gift for shapeshifting. It’s a match made in 1928 Chicago, where gangsters run City Hall, jazz fills the air, and every good girl’s purse conceals a flask. Until now, eighteen-year-old Ruby’s penchant for poison has been a secret. No one knows that she uses her mind-reading abilities to target men who prey on vulnerable women, men who escape the clutches of

Chicago “justice.” When she meets a brilliant boy working at the morgue, his knack for forensic detail threatens to uncover her dark hobby. Even more unfortunately: sharp, independent Ruby has fallen in love with him. Waltzing between a supernaturally enhanced romance, the battle to take down a gentleman’s club, and loyal friendships worth their weight in diamonds, Ruby brings defiant charm to every page of *Murder for the Modern Girl*—not to mention killer fashion. An irresistible caper perfect for fans of *The Gentleman’s Guide to Vice and Virtue*, in an exquisite hardcover package with rose-gold foil. A Junior

Library Guild Gold Standard Selection *Laura* has spent most of her adult life avoiding serious relationships, flitting around the world, and keeping her romantic expectations comfortably low. As far as she’s concerned, chocolate is just as satisfying as true love—and a lot less complicated. So how has she managed to get involved with a dangerously charming Frenchman named Sébastien? And only weeks before she’s scheduled to leave Paris for good? The cultural differences alone are enough to kill any relationship. She’s from small-town Georgia. He’s a sophisticated Parisian. They go together like grits and escargot. But Sébastien isn’t

just any Frenchman. He’s a gorgeous, sweet, sexy, graphic artist, and as the days slip by, Laura’s finding it harder and harder to say adieu. Unless she comes to her senses soon, she could end up ruining her life with a beautiful romance. . . . village, the body of a man shot through the head is disinterred by the roots of a fallen tree. A week later a famous art critic is viciously murdered in a nearby house. The deaths occurred more than seventy years apart. Asked by a colleague to inspect the site of the former, forensics expert Enzo Macleod quickly finds himself embroiled in the investigation of the latter. Two extraordinary narratives are set in train - one historical, unfolding in the treacherous wartime years of Occupied France; the other contemporary, set in the autumn of 2020 as France re-enters Covid lockdown. And Enzo's investigations reveal an unexpected link between the

murders - the Mona Lisa. Tasked by the exiled General Charles de Gaulle to keep the world's most famous painting out of Nazi hands after the fall of France in 1940, 28-year-old Georgette Pignal finds herself swept along by the tide of history. Following in the wake of Da Vinci's Mona Lisa as it is moved from château to château by the Louvre, she finds herself just one step ahead of two German art experts sent to steal it for rival patrons - Hitler and Göring. What none of them know is that the Louvre itself has taken exceptional measures to keep the painting safe, unwittingly setting in train a fatal sequence of events extending over seven decades.

Events that have led to both killings. The Night Gate spans three generations, taking us from war-torn London, the Outer Hebrides of Scotland, Berlin and Vichy France, to the deadly enemy facing the world in 2020. The Right Address sears through the upper crust of New York's glittering Park Avenue scene to dish the dirt on the ladies who lunch, the gents who club, and the desperate climbers who will stop at nothing to join the backstabbing, champagne-

sipping, socialite-eat-socialite stratosphere. When Melanie Sartomsky, wily Floridian flight attendant, snares billionaire divorcée Arthur "the coffin king" Korn, she is catapulted into the crème de la crème of Park Avenue society, where hiring the wrong decorator is tantamount to social suicide, and where, if you're anyone, your personal assistant has a personal assistant. But Melanie quickly discovers that in the world of the rich and idle, malicious gossip is as de rigeur as owning twenty pairs of Manolo Blahniks. And despite her frenzied plunge into the charity circuit and the right dinner reservations, her neighbors are Givenchy-clad

vultures who see her as nothing more than a reinvented trailer trollop. To make matters worse, when a snide society-rag journalist rakes her over the coals, Melanie's reputation is toast. Meanwhile, Melanie is not the only billionaire in the neighborhood coming unhinged. Kleptomania, adultery, plagiarism, and a grisly Harlem sex murder are just a few of the secrets swirling under the pedigreed patina of furs and emeralds on Park Avenue. captures the current moment perfectly... It's not necessarily a "how to" book, more of a "why not try?" approach.' - FRANCESCA BABB, MAIL ON SUNDAY YOU 'What I particularly love is her philosophy for happiness, which is the subject of her new book, A Year of Living Simply. The clue is in the title. Remember the basics. Instead of barging through the day on autopilot, really stop to think about the tiniest little things that added a moment of joy. No, of course stopping and smelling the flowers won't cure all our ills and woes. But taking the time to savour the things that bring pleasure, really being in that moment and

appreciating it, can remind you that most days have moments that buoy your mood.' - JO ELVIN, MAIL ON SUNDAY YOU If there is one thing that most of us aspire to, it is, simply, to be happy. And yet attaining happiness has become, it appears, anything but simple. Having stuff - The Latest, The Newest, The Best Yet - is all too often peddled as the sure fire route to happiness. So why then, in our consumer-driven society, is depression, stress and anxiety ever more common, affecting every strata of society and every age, even, worryingly, the very young? Why is it, when we have so much, that many of us still feel we are missing

something and the rush of pleasure when we buy something new turns so quickly into a feeling of emptiness, or purposelessness, or guilt? So what is the route to real, deep, long lasting happiness? Could it be that our lives have just become overly crowded, that we've lost sight of the things - the simple things - that give a sense of achievement, a feeling of joy or excitement? That make us happy. Do we need to take a step back, reprioritise? Do we need to make our lives more simple? Kate Humble's fresh and frank exploration of a stripped-back approach to life is uplifting, engaging and inspiring - and will help us all find balance and happiness

every day. Nobel prize winner and author of One Hundred Years of Solitude Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece Love in the Time of Cholera. 'It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love' Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza's impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having

sworn his eternal love to her, he lives for the day when he can court her again. When Fermina's husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his enduring love. But can young love find new life in the twilight of their lives? 'The most important writer of fiction in any language' Bill Clinton 'An exquisite writer, wise, compassionate and extremely funny' Sunday Telegraph 'An amazing celebration of the many kinds of love between men and women' The Times In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the

English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about

Englishness. The complete SIX TUDOR QUEENS short-story collection by acclaimed historian and SUNDAY TIMES BESTSELLING author, Alison Weir. 'This brilliant series has brought Henry VIII's six wives to life as never before' TRACY BORMAN 'Detailed, immaculately researched and convincing' THE TIMES 'Lingers long after the last page is turned' ELIZABETH FREMANTLE --- Behind every great king stands a queen. And behind every queen, the whole court watches on... Over the years of his reign, six different women took their place beside King Henry VIII of England as his wife and queen. But the real stories of the six Tudor

queens belong to those who lived among them. Played out in glittering palaces and whispering courts, these are tales of the people who loved and served these women, and those who lied and betrayed them. Collected together for the first time, *In the Shadow of Queens* reveals thirteen startling stories from the Tudor court, told by those at the very heart of that world. ALISON WEIR. Groundbreaking truth. Breathtaking fiction. --- PRAISE FOR THE SIX TUDOR QUEENS SERIES: 'Weir is excellent on the little details that bring a world to life' Guardian 'A tour de force' Susan Ronald 'Alison Weir makes history come alive as no one else' Barbara Erskine

'Well researched and engrossing' Good Housekeeping 'Hugely enjoyable . . . Alison Weir knows her subject and has a knack for the telling and textural detail' Daily Mail "Emotionally intense . . . Highly complex characters . . . Readers will cheer for both of them to work past their issues and find their chocolaty ever after." —Publishers Weekly, starred review Dominique Richard's reputation says it all—wild past, wilder flavors, black leather and smoldering heat. Jaime Corey is hardly the first woman to be drawn to all that dark, delicious danger. Sitting in Dom's opulent chocolaterie in Paris day after

day, she lets his decadent creations restore her weary body and spirit, understanding that the man himself is entirely beyond her grasp. Until he touches her . . . Chocolate, Dominique understands—from the biting tang of lime-caramel to the most complex infusions of jasmine, lemon-thyme, and cayenne. But this shy, freckled American who sits alone in his salon, quietly sampling his exquisite confections as if she can't get enough of them—enough of him—is something else. She has secrets too, he can tell. Of course if she really knew him, she would run. Yet once you have spotted your heart's true craving, simply looking is no longer

enough . . . Praise for the writing of Laura Florand “I adored this story . . . Paris, chocolate, and romance, all in one hilarious package.” —New York Times—bestselling author Eloisa James “Readers will devour this frothy, fun novel.” —Booklist “Both sensual and sweet . . . A story that melts in your mouth!” —USA Today—bestselling author Christie Ridgway “Vive la Laura Florand!” —Cassandra King This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class

Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of *John O'London's Weekly*. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen

Gordon. 'A daring blend of romance, crime and history, and an intelligent exposé of the inherent injustice and consequences of all forms of oppression' Tsitsi Dangarembga, *Nervous Conditions* Opening with the shooting of Lady Virginia 'Ginie' Courtauld in her tranquil garden in 1950s Rhodesia, *The Dragon Lady* tells Ginie's extraordinary story, so called for the exotic tattoo snaking up her leg. From the glamorous Italian Riviera before the Great War to the Art Deco glory of Eltham Palace in the thirties, and from the secluded Scottish Highlands to segregated Rhodesia in the fifties, the narrative spans

enormous cultural and social change. Lady Virginia Courtauld was a boundary-breaking, colourful and unconventional person who rejected the submissive role women were expected to play. Ostracised by society for being a foreign divorcée at the time of Edward VIII and Mrs Simpson, Ginie and her second husband, Stephen Courtauld, leave the confines of post-war Britain to forge a new life in Rhodesia, only to find that being progressive liberals during segregation proves mortally dangerous. Many people had reason to dislike Ginie, but who had reason enough to pull the trigger? Deeply evocative of time and

place, *The Dragon Lady* subtly blends fact and fiction to paint the portrait of an extraordinary woman in an era of great social and cultural change. She stole his roses. Fleeing the spotlight, burnt out rock star Layla—"Belle"—Dubois seeks refuge in the south of France. That old, half-forgotten heritage in a valley of roses seems like a good place to soothe a wounded heart. She certainly doesn't expect the most dangerous threat to her heart to pounce on her as soon as she sets foot on the land. He wants them back. Matt didn't mean to growl at her quite that loudly. But—his roses! She can't have his roses. Even if she does have all those curls

and green eyes and, and, and...what was he growling about again? Or maybe he just wants her. When an enemy invades his valley and threatens his home, heart, and livelihood, Matthieu Rosier really knows only one way to defend himself. It might involve kissing. And that might be just the start. Praise for Laura Florand's novels "A poignant, lovely, moving, authentic story." - Virginia Kantra, NYT bestselling author "Sweet, sexy, and all around delicious. When two people have loved each other so much that they've given up their very selves, what do they do when they need their selves back? Does their marriage have a second chance at romance? Overview After eleven years of marriage, Léa Laurier knew her husband.

Knew how he could take on responsibility for a world-famous restaurant, a wife, and her two teenage siblings at nineteen years old and never falter, never tire. Knew his drive and his ambition, that took him to the stars. Knew how brilliant his gray eyes looked when they met hers for just one moment across a host of cameras. She didn't know why she was so tired. She didn't know why she needed to just get away. For a while. Maybe a week or two. A month. She'd be back. After eleven years of marriage, international superstar chef Daniel Laurier knew his wife. Knew how she could lavish caring on everyone, her siblings, his staff,

and most especially him. Knew the way her face lit up when he won yet another television contest, and the way she hugged him for it. Knew how her hair smelled when he sank into bed exhausted at one in the morning. He didn't know what to do when he came home from a consulting trip to find she'd disappeared to remote South Pacific island: I just needed to get away for a little while. A week or two. I'll call you. As the whole solid world under his feet turned into a sandcastle in the tide, Daniel knew only one thing: whatever was wrong with his marriage or his wife, he wasn't losing her. So as a top chef, he did the one thing he always knew how to
