Leading a reclusive life after the fire that subsequently scarred her face and robbed her of her livelihood as a champion barrel racer, she is on the verge of bankruptcy. In a bid to save her ranch she offers it for lease, but never expected to have Tyler, the man she once loved as a girl, show up on her doorstep. Buried anger and betrayal surface for both Anna and Tyler, but she's out of options and her back is against the wall. Can they go back to the love they once knew....do they even want to go back? Excerpt from Barnes' First Year Book: A Silhouette Reader Nature lessons, phonics, number lessons, recitations, memory gems, prose lines to be memorized, fables and games have been used. The illustrations are a unique feature which the children will greet with delight. The silhouette has always possessed peculiar fascination for the young. The resourceful teacher turns this interest to good advantage by having paper cuttings made to illustrate stories. The charming silhouettes that are given will serve as models and will endear the book still more to the little ones. Phonic lessons are very

important and claim a large share of the book. Stories may be introduced for the phonic work. These stories are to be found in Suggestions To Teachers. Soldier Silhouettes on Our Front by William L. Stidger is about the human cost of war. Stidger paints an accurate depiction of the hearts of American soldiers away at war. Excerpt: "The great transport was cutting its sturdy way through three dangers: the submarine zone, a terrific storm beating from the west against its prow, and a night as dark as Erebus because of the storm, with no lights showing. I had the midnight-to-four-o'clock-in-the-morning "watch" and on this night I was on the "aft fire control." Below me on the aft gun deck, as the rain pounded, the wind howled, and the ship lurched to and fro, I could see the bulky forms of the boy gunners." Private Investigator Adrienne Hargrove has seen every kind of human depravity, but online predators grooming teenaged girls so they can abuse them seems the most depraved of all. The fact that often the predators are people the young victims know only adds to the horror. The world of Internet chat rooms seems like a world of science fiction to Adrienne, until Detective Mike Morris asks her to assist him in the case of two missing girls, Abigail Montgomery and Matilda Morning. Abigail has been found dead in New Orleans, and Matilda is still missing. With warnings of Hurricane Katrina in every weather report, Adrienne and Mike head to New Orleans, where Voodoo Priestess Madam Helene Dupre sends a message that she believes she can help them find Matilda. As Adrienne and Mike do all they can to find the girl, they become aware of another kind of human depravity. Evacuated to the Superdome in New Orleans following the hurricane, they see firsthand the nightmare of poverty, racial discrimination, government failure, and human hopelessness at its very worst. Does Madam Dupre have the power to help, or is she a hoax? Will Mike and Adrienne find Matilda in time, or is it already too late? This case is one that will change them both forever. One perfect red rose, a one-way ticket to Stockholm, and a cryptic "message" consisting of two Latin words intrigue art historian Vicky Bliss—as they were precisely intended to do. Beautiful, brilliant and, as always, dangerously inquisitive, Vicky recognizes the handiwork of her former lover, the daring jewel thief John Smythe. So she takes the bait, eagerly following Smythe's lead in the hope of finding a lost treasure. But the trail begins with a priceless fifth-century chalice, which will place Vicky at the mercy of a gang of ruthless criminals who have their eyes on an even more valuable prize. And the hunt threatens to turn deadly on a remote island, where a captive Vicky Bliss must lead an excavation into the distant past—and where digging too deep for the truth could dig her own grave. Flame Dancer Kelva of Arukan seeks the missing elements--Stone and Sea, Wind and Soul--that must join to preserve their world from destruction. Seeing that the Stone Dance, the master of Earth magic, would be found in the icy north, she and

her dragon companion fly to a country mired in an unnaturally long winter. When at last they find Jareth, the Stone Dancer's own anger and pain make him reluctant to accept his destiny. His need for vengeance against the old gods who betrayed his people is powerful--powerful enough to lead the group farther into the snows, searching for the legendary Ice Maiden, who may be responsible for the forced winter. But betrayal doesn't come only from the gods--and the forces against them are vast. Before their quest is over, Kelva must realize that while Flame can break through the chill of the winter, Stone can withstand anything... A IS FOR ASTONISHED AND AGOG Which were Julie Raffet's reactions when Caleb Tarrington, a most eligible--and wealthy--bachelor made his proposal! Caleb wanted a tutor for his newfound son--but was Julie interested in a temporary position? THE BOSS HAD AMNESIA... This is Volume II of two volumes. American Silhouettes is primarily a study in human character in its dealing with the adversity of life. The setting is America during the last quarter of the twentieth century. More specifically it focuses on the struggle of two generations of a small African American family whose destiny encounters more than its share of horrific tribulations. It is a window on life, love, happiness, suffering, and death of the members of this small vulnerable resilient family from the South, that moves to Washington, D.C. for a better life, only to find a very short interlude of happiness, followed by a deep plunge into another cycle of trauma and despair; not death though, that would be too easy; and when death finally does come, it is a liberation of the body and soul. The saga continues with the cycle of misfortune repeating itself in a new age, a new generation with the same finality as if their destiny had been wickedly predefined. From Bridgeville SC to Washington DC, and from Rome to Dakar, their saga brings to light the evil and virtuousness of man in its most natural occurrence, as a part of daily life. The story brings together various individuals of different and sometimes opposite background and describes either the passions of their encounters or the clashes resulting from their conflicts. It analyses the most wonderful passions of love, beauty and happiness, and juxtaposes the horrible ugliness of

hate and abuse. It incorporates the duty and responsibility of man within the context of our society and dwells into the aberrations of its marginal sector. It is an interweaved matrix of emotional extremes. It demonstrates that evil has no color, no race, no religion, and that it transcends the social fabric of our society.
