*Mary Queen of Scots* May 31 2021 As an historical figure Mary Queen of Scots has been perpetually represented on canvas, page and stage, and has captured the British imagination since the time of her death in 1587. The 'real' Mary Stuart however has remained an enigma. *Mary Queen of Scots: Romance and Nation* sheds light on Mary's life by exploring four main themes: \* the history of Mary's representation in Britain from the late Tudor period focusing on key periods in the formation of the British identity and closely analysing several texts against a background of the visual, musical and literary works of each period \* the reasons why those representing Mary have been so conscious that her image was largely a debatable fiction \* the identification of symbolic styles, using Mary to reveal the habits of representation in each historical period \* The link between the image of Mary Stuart and Britain's long struggle to define itself as a single nation, focusing on the roles of gender and religion in this development.

**A Noble Queen** Mar 17 2020 A Noble Queen is a novel written by Philip Meadows Taylor that illustrates one of the most important epochs in the history of the Dekhan. The book features the life of the noble Queen Chand Beebee whose memory is revered, not only as the preserver of Beejapoor, but for the heroic resistance she made to the Moghul armies in their first invasion of the Dekhan and siege of Ahmednugger.

**A Queen of the Paddock** Dec 14 2019 Excerpt from A Queen of the Paddock: A Romance of the Race Course But it was not solely for these accomplishments that Violetta had been sent to Montpellier House. Captain Vaughan, her father, who if he never seemed to be blest with this world's coin, had plenty of the world's wisdom and experience, told his daughter to make advantageous acquaintances among the aristocratic pupils, and she had not failed to take the parental advice. Ella Norman, one of these aristocratic young ladies, at the end of her last term invited Violetta to spend the summer vacation at Normanhurst. Violetta accepted the invitation gratefully, and as part of her vocation was to make herself agreeable and as she had in addition a great capacity for getting all the enjoyment out of life that came in her way, she thoroughly ingratiated herself with the whole household, and especially with Sir John Norman. She had not been twenty-four hours in the old mansion before her quick brain had summed up the character of the baronet. Easy-going good-natured susceptible could be fooled by any pretty woman who likes to take the trouble to attract him, was her summary, and she was not far out. But what was the use of her wasting her blandishments when they were likely to lead to nothing? To begin with, Sir John was married. He was also a grass widower, but in his case a loosening of the marriage tie made no difference, and Violetta had not been long at Normanhurst before she discovered this. Not that it mattered very much to her. She was by no means anxious for married life. Lady Norman was then a patient in a doctor's house and likely to remain: one. Her brain was affected. **Heart of a Monster** Jun 12 2022 "If you fall in love with a monster, remember he'll always be vicious."I met a boy in the dead of the night and hoped he would save me from the dark.When I lost the last person that cared for me, I ran straight into the arms of his family.The Italian Mob.It was no place for a naïve girl. I grew up and earned my place. Everyone within the family accepted me quickly-all except him.To him, I didn't belong.And he made that clear by being the monster everyone knew him to be:Cruel, ruthless, and cold.My gut told me to leave, but my soul wanted to stay. I gravitated toward the man no one seemed to understand because no one understood me either.I handed my heart to a monster, and he ripped it apart.

Rise of a Queen Nov 05 2021 Nothing is fair in love. This is my kingdom. My territory. I own everything and control everyone, Aurora included. She shouldn't have barged into my world with no armour. She shouldn't have caught my attention with no warning. Alas, she did. Then she thought she could disappear. If a battle is what it'll take to protect and own her, I'll shed blood. Wars aren't fair, and neither am I. Rise of a Queen is the second part of a duet and is not standalone.
