The third instalment in the wonderful The Lamb Who Came for Dinner series from best-selling author, Steve Smallman (Poo in the Zoo, Monkey With a Bright Blue Bottom, Bear's Big Bottom) and beautifully illustrated by Joëlle Dreidemy. Hotpot and Wolf have found an egg. A CROCODILE egg! Hotpot LOVES the crocodile, Omelette, and wants to snuggle and cuddle him. The other woodland animals aren't sure this is a good idea - surely CROCODILES are fearsome and ferocious beasts?! But when an emergency arises, and it's down to Omelette to save the day, will everyone change their mind? This heartwarming story about finding friends in unexpected places and challenging stereotypes is ideal for existing fans of Hotpot and Wolf's stories and readers of The Crocodile Who Didn't Like Water, Lost and Found, Weirdo and The Way Home for Wolf. Using the historical principles of the Oxford English Dictionary, Lise Winer presents the first scholarly dictionary of this unique language. The dictionary comprises over 12,200 entries, including over 4500 for flora and fauna alone, with numerous cross-references. Entries include definitions, alternative spellings, pronunciations, etymologies, grammatical information, and illustrative citations of usage. Winer draws from a wide range of sources - newspapers, literature, scientific reports, sound recordings of songs and interviews, spoken language - to provide a wealth and depth of language, clearly situated within a historical, cultural, and social context. David Kushner grew up in the early 1970s in the Florida suburbs. It was when kids still ran free, riding bikes and disappearing into the nearby woods for hours. One morning in 1973, however, everything changed. David's older brother Jon biked through the forest to the convenience store for candy, and never returned. Decades later, now a grown man with kids of his own, Kushner found himself unsatisfied with his own memories and decided to revisit the episode a different way: through the eyes of a reporter. His investigation made him realize just how much his past had affected his present. After sifting through hundreds of documents, conducting dozens of interviews, and poring over numerous firsthand accounts, he has produced a powerful and inspiring story of loss, perseverance, and memory. Set in Havana in 1961, it places Oakes in the middle of a conspiracy with Che Guevara to bring about an era of detente in East/West relations. When Oakes is betrayed in a clever double-cross, he is trapped in Cuba and the stage is set for a dandy adventure. Copyright © Libri GmbH. All rights reserved. A poacher is at work in Sinful, Louisiana, and Deputy Carter LeBlanc is hot on the trail of the outlaw, trying to apprehend him before the state gets wind of the crime and sends a game warden to take over his investigation. Unfortunately, he's hindered every step of the way by Sinful's current mayor and all-around horrible person, Celia Arceneaux, who wants nothing more than to drive Carter to resign. When a game warden turns up with evidence that implicates a relative of Gertie's, Carter is left with no choice but to arrest the boy, even though no one thinks he did it. With Carter under the watchful eye of Celia and the state, Fortune, Ida Belle, and Gertie decide to catch a poacher...before he gets away. 'She is a born storyteller' ... and Turtle Moon is one of her best! Entertainment Weekly The New York Times bestselling author of Second Nature and Here on Earth presents "a captivating ... truly original novel" (Cosmopolitan), the story of a divorced woman, her disillusioned teenage son, and the events that change their lives in ways both simple and extraordinary. When Keith Rosen runs away from his Florida home - inexplicably taking along a motherless baby - his mother is perplexed and terrified. She takes off on her own journey to find him. And Turtle Moon follows their path, in a suspenseful and beautifully written story that confirms once again the exquisite talent of Alice Hoffman. Reveals the behind-the-scenes production secrets of the Hollywood films of the 1950s. What is your life's purpose, your reason for being here, and how do you know what it is? Do you have a destiny, and, if so, how was that determined? How do you reach it? Are there choices, and if so, how does one make them? Is there a power which steers you down the right path toward your destiny, tells you which fork in the road to take? What difference in the grand scheme of things will your life make? The author asked himself the same questions, over and over, throughout most of his seventy-seven years, and only recently has he learned the answers. In When Destiny Comes to a Fork in the Road, Demus, the author's guardian angel, describes the author's thoughts, words, and actions as he travels down life's road, seeking to discover his reason for being, his calling, his destiny. Share with him his happiness and sadness, emotions, indecision, uncertainty, discoveries, accomplishments, failures, his experiences, the people he met on his life's journey and his quest to learn and to fulfill his destiny, and his eventual understanding of the meaning of his life. People have long been fascinated by the American alligator. Ever since humans arrived on the continent more than 15,000 years ago, the American alligator has been both feared and revered, celebrated and scorned, and often hunted for food and hide. Once tourism began to take hold in the South as a real industry, especially in Florida, the alligator took on iconic and even mythical status. "One of the most picturesque features of Florida has always been that uncouth and fierce-looking reptile called the alligator," wrote Nevin O. Winter in 1918. "Everybody who comes down here to the peninsula has an ambition to see one in the wild." Seminole Indians wrestled alligators for show. Alligator souvenirs and mascots often took what people feared—a sharp-toothed predator—and made it into something cute and cuddly. Alligator-themed songs were recorded and released, including "See You Later Alligator" by Bill Haley and His Comets. Hollywood into created alligator-themed movies such as Alligator People. Alligators were also reportedly kept in the White House under two presidencies. And perhaps the most unusual alligator story was one that helped to nab Ma Barker and her son Fred when they were hiding out along Florida's Lake Weir. America's Alligator examines the colorful and sometimes conflicted relationship our species has had with Alligator mississippiensis. Doug Alderson explores the country's rich alligator mythology and how it inspired various forms of art, stories, photography, tourism and even humor. Of course knights take naps - when they're not busy saving people in distress, chasing dragons, riding in jousts or watching the court jester. In bouncy verse the author answer every question children might have about being a knight, plus some they would never have thought of Nick Sharratt's bold bright illustrations add lashings of zest and good humour. Can you think of an animal for every letter of the alphabet? In this delightful ABC book, young children will learn the upper- and lowercase letters of the alphabet as they meet a parade of creatures - from alligators to zebras, and impalas to quails. Explains the essentials of grammar and demystifies complex rules, in a reference that includes a series of quizzes and details a method for writing under pressure. In Hammond's Choice, Ruth and Larry Hammond have been forced to relinquish custody of their son, Tommy, in order to obtain services for his serious emotional and behavioral problems. The Hammonds turn to Marty Fenton to discover what happened the night Tommy was accused of stabbing to death Kevin Landry, another resident at Possum Ridge School. As Fenton, a graduate student in psychology and part-time private investigator, delves into this case, he learns a lot about the child mental health system and becomes aware of its questionable policies and practices. He encounters skillful counselors as well as individuals whose problems rival those of the children they serve. Join sleuth Marty Fenton as he uncovers another dark secret buried in this strange place of healing and discovers unsettling truths about the mental health care system. Now readers can enjoy the exciting conclusion -- bursting with more suspenseful twists -- in his latest, Counterplay. When betrayal results in the cold-blooded murder of a busload of schoolchildren to accomplish the escape from custody of vicious sociopath Andrew Kane, New York District Attorney Butch Karp finds himself embroiled in a raging quest for vengeance that could cost him, his family, and thousands of others their lives. With an intensive manhunt ongoing for the fugitive Kane, Karp and long-time colleague Ray Guma open a cold case and pursue murder charges against wealthy Manhattan power broker/banker Emil Stavros, whose socialite wife disappeared nearly fifteen years earlier. Meanwhile, Karp's wife, Marlene Ciampi, has let her fascination with her husband's lesser-known family comprised of Russian gangsters pull her into a dangerous world of Islamic terrorists, Chechen rebels, and Russian agents engaged in nefarious events straight out of today's real-world headlines. Yet again, Robert K. Tanenbaum writes a masterful thriller involving the most memorable -- and "un-put-downable" -- stories of corruption and courtroom

confrontations. Counterplay, the latest book in the bestselling Butch Karp/Marlene Ciampi series, proves to be another full-bodied, riveting page-turner with yet another cliff-hanger not soon to be forgotten. Meet the Carters: Mr. and Mrs. Carter, 10-year-old daughter Keisha, five-year-old Razi, baby Paolo, and Grandma Alice. Together, they run Carters' Urban Rescue, the place you call when you've got an animal where it shouldn't be. In their first adventure, there's a baby alligator at the city pool, which will seriously interfere with opening day, especially Keisha's cannonball practice. So it's up to the whole family to figure out what to do with the poor guy who has no business hanging around Michigan. Luckily for all of them, and thanks to some serious ingenuity from Keisha, the answer is closer than they ever could have imagined. Sue Stauffacher turns to her first series effort with Animal Rescue Team. With compelling plots based on actual events in her community, Sue has created a lovable cast of characters of boys and girls, young and old, who feel like people you'd meet at your neighborhood block party. Written in an accessible and engaging style meant to appeal to those independent readers looking to be excited and entertained, and with subplots about friendship, siblings, the environment, and animal conservation, along with plenty of humor, these will be a hit with teachers and librarians, and parents, as well as kids themselves. Lyle is perfectly happy living with the Primms on East 88th St. until irritable Mr. Grumps next door changes all that.
