The Quick Red Fox Mar 29 2021 The Travis McGee series by John D MacDonald - bestselling author and the inspiration behind a generation of crime writers - is one for fans of Lee Child, Michael Connelly and John Grisham not to miss. This high-octane and all-action thriller with its witty turn of phrase and standout characterisation will have you gripped. 'MacDonald had a huge influence on me . . . Reacher is like a fully detached version of Travis

McGee' - LEE CHILD 'The great entertainer of our age, and a mesmerizing storyteller' - STEPHEN KING 'To diggers a thousand years from now, the works of John D. MacDonald would be a treasure on the order of the tomb of Tutankhamen.' - KURT VONNEGUT '. . . my favorite novelist of all time' - DEAN KOONTZ 'Great page turners, always some great lines and observations in there that are still relevant.' -- ***** Reader review 'Fantastic writing' -- ***** Reader review 'Magnificent' -- ***** Reader review

Travis McGee isn't your typical knight in shining armour. He only works when his cash runs out, and his rule is simple: He'll help you find whatever was taken from you, as long as he can keep half. Hollywood's leading lady Lysa Dean isn't in the business of making mistakes. But a night involving a debauched party and some naked photos turns out to be one mistake too many. If the pictures get out, Lysa's engagement to her rich, strait-laced fiancé won't stand a chance. She needs someone to set her life back on track. Travis McGee has his own reasons for taking the job. He soon finds himself led on a wild chase across the country, trying to track down everyone associated with the fateful evening. But just when Travis thinks he knows exactly where things are headed, one big twist shakes his very core... First published in 1964, The Quick Red Fox features an introduction by Lee Child *****

***** Further Praise for the Travis McGee series:
'The consummate pro, a master storyteller and witty observer . . . The Travis McGee novels are among the finest works of fiction ever penned by an American author and they retain a remarkable sense of freshness' - Jonathan Kellerman 'Travis McGee is my favourite fiction detective. He's great because he has a philosophical side - he will fight a bunch of mobsters in a car park and then have a muse about life, the universe and everything' - Tony Parsons 'A dominant influence on writers crafting the continuing series character . . . I envy the generation of readers just discovering Travis McGee' - Sue Grafton 'A master storyteller, a masterful suspense writer . . . John D. MacDonald is a shining example for all of us in the field' - Mary Higgins Clark 'What a joy that these timeless and treasured novels are available again' - Ed McBain 'There's only one thing as good as reading a John D. MacDonald novel: reading it again . . . He is the all-time master of the American mystery novel' - John Saul

Ghost Country Jan 19 2023 "In a word: Brilliant....It left me breathless and awed....Pure exhilaration from the first page to the last." —James Rollins, New York Times bestselling author of *Altar of Eden* "WOW! Double Wow!...*Ghost Country* by Patrick Lee will make Asimov and Heinlein cheer with the angels. The techno-thriller meets Sci-Fi, and the result is mind-blowing." —Stephen Coonts, New York Times bestselling author of *Disciple*

Patrick Lee reinvented and revitalized the contemporary thriller with his extraordinary debut *The Breach* (“Audacious and terrifying” —Lee Child). Now his conflicted ex-cop/ex-con hero Travis Chase is back in the breathtaking follow-up *Ghost Country*. Both Michael Crichton and Dean Koontz fans, X-Files aficionados and devotees of FOX TV’s *Fringe*, will be blown away by Lee’s *Ghost Country*—a nightmarish tale of a nefarious plot unleashed at the highest levels of government that will bring about the end of everything in a matter of a few short months.

Getting Schooled Mar 17 2020 Head of the class...

Garrett Daniels has this whole life thing figured out. The cocky, charismatic former high school star quarterback is an idolized football coach and "cool" teacher in the hometown where he's not just a golden boy — he's platinum. He has good friends, a great house on the lake, and the best damn sidekick a man could ask for: Snoopy, the albino beagle. Then...Callie Carpenter comes home. And knocks him right on his tight end zone. Back to school... Callie has a pretty sweet life herself...on the other side of the country. But circumstances — that she'd prefer to never speak of again — have brought her back home, helping out her parents and substitute teaching at her old high school. Now she's facing bickering, raging hormones, constant gossip, awkward weirdness, and drama galore...and that's just the teachers. Just like old times...

When Garrett offers to show his former high school sweetheart the secrets of his winning teacher ways, Callie jumps at the chance - and then has to stop herself from jumping him. Good friends are all they can ever be. Or...these teachers just might end up getting schooled — by love.

Sky Chase Aug 14 2022 Travel to a vast world of airborne ships and floating islands. Epiworld Jan 15 2020 Britain 2099. All human diseases have been eradicated by genetic cleansing, but there are still people who are 'unclean' and locked away in institutions. Travis is one of them, until one day Dr Alexander helps him to escape to a world where nothing makes sense. Travis has powerful seizures which take him and his new friend Demi on a quest through time to seek and destroy Chase, the man he hates. Along the way he has to deal with shocks, surprises, traumas, and death, until at last he ends up on a beach, where his fate will finally be decided.

London Bridge in America Apr 17 2020 In 1968 the world's largest antique went to America. But how do you transport a 130 year old bridge 3,000 miles? And why did Robert P McCulloch, a multimillionaire oil baron and chainsaw manufacturing king, buy it? Why did he ship it to waterless patch of the Arizonan desert? Did he even get the right bridge? This title deals with these questions.

Fracture Dec 14 2019 After falling through the ice of a frozen lake and being resuscitated by her best friend Decker, seventeen-year-old Delaney begins experiencing a strange affinity for the dead and wonders whether she is predicting death or causing it.

The Deep Blue Good-by Aug 02 2021 From a beloved master of crime fiction, *The Deep Blue Good-by* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Travis McGee is a self-described beach bum who won his houseboat in a card game. He's also a knight-errant who's wary of credit cards, retirement benefits, political parties, mortgages, and television. He only works when his cash runs out, and his rule is simple: He'll help you find whatever was taken from you, as long as he can keep half. "John D. MacDonald was the great entertainer of our age, and a mesmerizing storyteller." —Stephen King McGee isn't particularly strapped for cash, but how can anyone say no to Cathy, a sweet backwoods girl who's been tortured repeatedly by her manipulative ex-boyfriend Junior Allen?

What Travis isn't anticipating is just how many women Junior has torn apart and left in his wake. Enter Junior's latest victim, Lois Atkinson. Frail and broken, Lois can barely get out of bed when Travis finds her, let alone keep herself alive. But Travis turns into Mother McGee, giving Lois new life as he looks for the ruthless man who steals women's spirits and livelihoods. But he can't guess how violent his quest is soon to become. He'll learn the hard way that there must be casualties in this game of cat and mouse. Features a new Introduction by Lee Child

The Empyrean Odyssey Oct 12 2019 "The Empyrean Odyssey" features the return of popular characters Alissza and Kaanyr Vhok, from Reid's "Insurrection," the first book in the "New York Times"-bestselling series R.A. Salvatore's The War of the Spider Queen.

Chrysalis Jul 01 2021 A blockbuster new thriller from #1 New York Times bestselling author Lincoln Child, centered on a dominant tech company—Chrysalis—whose groundbreaking virtual reality technology is redefining the way we live . . . and possibly introducing a catastrophic danger to the world. Like millions of people around the world, Jeremy Logan (famed enigmalogist, or investigator of unexplained things) has grown to rely on his incredible new tech device. Made by Chrysalis, the global multibillion dollar tech company, the small optical device connects people in a stunning new way, tapping into virtual reality for the first

time on a wide scale. And yet, when Logan is summoned by Chrysalis to investigate a disturbing anomaly in the massive new product rollout, Logan is shocked to see the true scope of the massive company. He also quickly realizes that something in Chrysalis's technology is very wrong, and could be potentially devastating. The question is what, and where, is the danger coming from? In Lincoln Child's wildly inventive new novel, high tech comes to life alongside the myriad dangers it poses, making for one of Child's most infectious, entertaining thrillers to date.

Deep Sky Nov 17 2022 The anomaly called the Breach is the government's most carefully guarded secret. But there is another secret even less known . . . and far more terrifying. As the U.S. President addresses the nation from the Oval Office, a missile screams toward the White House. In a lightning flash, the Chief Executive is dead, his mansion in ruins, and two cryptic words are the only clue to the assassins' motives: "See Scalar." Now Travis Chase of the covert agency Tangent—caretakers of the Breach and all its grim wonders—along with partner and lover Paige Campbell and technology expert Bethany Stewart, have only twenty-four hours to unearth a decades-old mystery once spoken of in terrified whispers by the long since silenced. But their breakneck race cross-country—and back through time and malleable memory—is calling the total destructive might of a shadow government down upon them. For Travis Chase has a

dark destiny he cannot be allowed to fulfill . . .

Deep Sky Feb 20 2023 “Lee has an intense brand of storytelling....[He’s] the real deal.” Steve Berry, New York Times bestselling author of The Jefferson Key Patrick Lee’s extraordinary Breach trilogy comes to an explosive and breathtaking conclusion with Deep Sky—as Travis Chase of the ultra-secret government agency Tangent finally comes face to face with the decision that could determine the ultimate fate of the world. Under the Broken Sky Apr 10 2022 "Necessary for all of humankind, *Under the Broken Sky* is a breathtaking work of literature."—Booklist, starred review A beautifully told

middle-grade novel-in-verse about a Japanese orphan's experience in occupied rural Manchuria during World War II. Twelve-year-old Natsu and her family live a quiet farm life in Manchuria, near the border of the Soviet Union. But the life they've known begins to unravel when her father is recruited to the Japanese army, and Natsu and her little sister, Cricket, are left orphaned and destitute. In a desperate move to keep her sister alive, Natsu sells Cricket to a Russian family following the 1945 Soviet occupation. The journey to redemption for Natsu's broken family is rife with struggles, but Natsu is tenacious and will stop at nothing to get her little sister back. Literary and historically insightful, this is one of the great untold stories of WWII. Much like the Newbery Honor book *Inside Out and Back Again* by Thanhha Lai, Mariko Nagai's *Under the Broken Sky* is powerful, poignant, and ultimately hopeful. Christy Ottaviano Books

[The Fractured Sky](#) Sep 03 2021 What brings a demon to the gates of heaven? The half-fiend Kaanyr Vhok finally arrives at the destination he has sacrificed so much to achieve--he is in the heart of Celestia with his lover and consort, the succubus Aliisza. Only to find that the House of the Triad is falling apart, and he is bound by a vengeful Aliisza and a renegade angel into trying to save it--not exactly the goal he had in mind. The second full-length novel in *The Empyrean Odyssey*, *The Fractured Sky* continues to follow *War of the Spider Queen* favorites

Aliisza and Kaanyr Vhok as the pair of fiends struggle to escape the heart of a deeply troubled Celestia while bound to a particularly determined angel.

Whispers of the Dead Jan 27 2021 A series of bizarre murders—the victims nearly unidentifiable—forces FBI tracker “Steps” Craig to match wits with the most cold-blooded killer he’s ever encountered. There has been a murder, but not only is the identity of the victim unknown, most of the body itself is missing. All that’s been found is a pair of feet, stored in a portable cooler, and left in the house of a Federal judge in El Paso, Texas. The killer apparently broke into the judge’s house, left his grizzly message, and disappeared without a trace. With no clues as to the killer, the person killed, or the intent behind the cooler, all the authorities really know is that this likely isn’t the killer’s first—or his last—victim. Magnus “Steps” Craig is an FBI agent and an elite tracker, easily the best in the world. Steps is renowned for his incredible ability to find and follow trails over any surface. As part of the three-man special team, FBI’s Special Tracking Unit (STU), he is called in on cases where his skills are indispensable. But there’s a secret to his skill. Steps has a kind of synesthesia, an ability that allows him to see whatever each particular person has touched in a unique color—what Steps calls ‘shine.’ His ability is known to only a few people—his father, the director of the FBI, and his partner, Special Agent Jimmy Donovan. While the Special

Tracking Unit tries to grapple with the gruesome scene in El Paso, they soon discover another, earlier victim. Once again, only the feet—in a disposable icebox—were left behind. With almost no clues besides the body parts, Steps and his team find themselves enmeshed in the most difficult case of their careers. And The Icebox Killer has only just begun.

The Breach Dec 18 2022 “Audacious and terrifying—and uncannily believable.” —Lee Child New York Times bestselling author of the Jack Reacher series, Lee Child, was blown away by The Breach—and you will be, too! A novel of unrelenting suspense and nonstop surprises, The Breach immediately rockets author Patrick Lee into the V.I.P. section of the thriller universe. A treat for Jack Bauer (“24”) fans and “X-Files” aficionados, it is a white-knuckle roller-coaster ride that combines the best of Dean Koontz and Michael Crichton with a healthy dollop of Indiana Jones thrown into the mix—the perfect secret agent/government conspiracy/supernatural adventure.

Only to Die Again Oct 16 2022 Readers of Lee Child and Dan Brown will love this outstanding high-concept thriller by Patrick Lee 'Patrick Lee is a huge talent' Lee Child *** A DESPERATE PLEA FOR HELP The middle of the night. Sam Dryden takes a call from an old friend from his days in the military. She needs his help. Urgently. There's no further explanation. A RACE AGAINST TIME Two hours later, Dryden and his former teammate smash

their way in to a remote desert shack. Inside they discover four young girls, caged and threatened with death by their abductor. Dryden acts. AN IMPOSSIBLE SECRET But how had Dryden's friend known what about to unfold? Why was it so important that they flee the scene before the police arrive? Only one thing is certain: Dryden is now facing a ruthless enemy that always seems to be one step ahead . . . Praise for Patrick Lee: 'Audacious and terrifying - uncannily believable' Lee Child 'Pure adrenaline rush . . . an action-packed novel brimming with complex characters as well as genuine heart. Not to be missed' Lisa Gardner 'Patrick Lee is in a word: Brilliant. Less a novel, than an adventure, it left me breathless and awed. It's explosive, innovative and ultimately mind-blowing. Pure exhilaration from the first page to the last' James Rollins 'An amazing, high speed, hi-octane novel than moves faster than most people can read. Rarely is a story both plot driven and character driven, but Runner does this and more' Nelson DeMille 'I'm going to sue Patrick Lee for giving me whiplash: that's how furiously paced this book is. A terrific cast of characters, unrelenting action - strap in and enjoy the ride' Jesse Kellerman 'A thriller done right. It literally begs to be read in one sitting . . . Patrick Lee is the real deal' Steve Berry 'WOW! Double Wow! Starkly original . . . mind-blowing' Stephen Coonts

Brown-Eyed Girl Nov 05 2021 The Travis series concludes with the fourth installment from award-wining

author Lisa Kleypas. Wedding planner Avery Crosslin may be a rising star in Houston society, but she doesn't believe in love—at least not for herself. When she meets wealthy bachelor Joe Travis and mistakes him for a wedding photographer, she has no intention of letting him sweep her off her feet. But Joe is a man who goes after what he wants, and Avery can't resist the temptation of a sexy southern charmer and a hot summer evening. After a one night stand, however, Avery is determined to keep it from happening again. A man like Joe can only mean trouble for a woman like her, and she can't afford distractions. She's been hired to plan the wedding of the year—a make-or-break event. But complications start piling up fast, putting the wedding in jeopardy, especially when shocking secrets of the bride come to light. And as Joe makes it clear that he's not going to give up easily, Avery is forced to confront the insecurities and beliefs that stem from a past she would do anything to forget. The situation reaches a breaking point, and Avery faces the toughest choice of her life. Only by putting her career on the line and risking everything - including her well-guarded heart - will she find out what matters most.

A Deadly Shade of Gold Mar 09 2022 “John D. MacDonald was the great entertainer of our age, and a mesmerizing storyteller.”—Stephen King With an Introduction by Lee Child When Travis McGee picks up the phone and hears a voice from his past, he can't help it:

He has to meddle. Especially when he has the chance to reunite Sam Taggart, a reckless, restless man like himself, with the woman who's still waiting for him. But what begins as a simple matchmaking scheme soon becomes a bloody chase that takes McGee to Mexico, a beautiful country from which he hopes to return alive. Deception. Betrayal. Heartbreak. When Sam left his girlfriend, Nora, and vanished from Fort Lauderdale, no one was surprised. But when he shows up three years later lying in a pool of his own blood, people start to ask questions. And his old friend Travis McGee is left to find answers. But all he has to go on are a gold Aztec idol and a very angry ex-girlfriend. Is that enough to find his friend's killer? And when the truth is as terrifying as this, does he really want answers after all? Praise for *A Deadly Shade of Gold* "Travis McGee is the last of the great knights-errant: honorable, sensual, skillful, and tough. I can't think of anyone who has replaced him. I can't think of anyone who would dare."—Donald Westlake "John D. MacDonald is a shining example for all of us in the field."—Mary Higgins Clark

The Brothers of Auschwitz Jun 19 2020 The USA Today Bestseller An extraordinary novel of hope and heartbreak, this is a story about a family separated by the Holocaust and their harrowing journey back to each other. Afterwards Aug 22 2020 "A GRIPPING NOVEL." —New York Times Book Review When her children's school is

set ablaze, Grace runs into the burning building to rescue her teenage daughter, Jenny. In the aftermath, badly injured, Grace learns the police have identified the arsonist, but they have blamed the wrong person. Only Detective Sarah McBride, the sister-in-law Grace has never liked, is searching for the real arsonist--a hunt that becomes urgent when it's clear Jenny is still the perpetrator's target. Page-turning suspense combines with a beautiful portrayal of deep family bonds to make this a stunning and riveting read. Now with Extra Libris material, including a reader's guide and bonus content

The Fold Apr 29 2021 A page-turning science-fiction thriller from the author of *Paradox Bound* and the *Ex-Heroes* series. Step into the fold. It's perfectly safe. The folks in Mike Erikson's small New England town would say he's just your average, everyday guy. And that's exactly how Mike likes it. Sure, the life he's chosen isn't much of a challenge to someone with his unique gifts, but he's content with his quiet and peaceful existence. That is, until an old friend presents him with an irresistible mystery, one that Mike is uniquely qualified to solve: far out in the California desert, a team of DARPA scientists has invented a device they affectionately call the Albuquerque Door. Using a cryptic computer equation and magnetic fields to "fold" dimensions, it shrinks distances so that a traveler can travel hundreds of feet with a single step. The invention promises to make mankind's dreams of

teleportation a reality. And, the scientists insist, traveling through the Door is completely safe. Yet evidence is mounting that this miraculous machine isn't quite what it seems—and that its creators are harboring a dangerous secret. As his investigations draw him deeper into the puzzle, Mike begins to fear there's only one answer that makes sense. And if he's right, it may only be a matter of time before the project destroys...everything. A cunningly inventive mystery featuring a hero worthy of Sherlock Holmes and a terrifying final twist you'll never see coming, *The Fold* is that rarest of things: a genuinely page-turning science-fiction thriller.

Fire in the Sky Feb 14 2020 The author recounts his abduction by a UFO in the mountains of Arizona in 1975, describing life aboard an alien spacecraft in an account that became the basis for the major motion picture of the same name. 25,000 first printing. IP.

Heaven's a Lie May 31 2021 When a young widow witnesses a fatal car accident outside a Jersey Shore motel, she's suddenly thrust into a nightmare of gang violence, guns, and money that she can't outrun in this action-packed novel by "one of the best writers in crime fiction" (Alison Gaylin). Joette Harper's life brings new meaning to the phrase "paycheck to paycheck." Struggling to afford her mother's sky-high medical bills and also keep the lights on in her trailer home, Joette needs a break. So, when she spies a bag full of money amongst the wreckage

of a fiery car accident, she knows she can't just let it be. Inside is a bounty better than she could have dreamed—just shy of \$300,000 in neatly stacked hundreds and fifties. Enough to pay off her debts, give her mother the care she deserves, and maybe even help out a few of her friends. But, of course, the missing briefcase didn't go unnoticed by its original owner, Travis Clay—a ruthless dealer who'll stop at nothing to get back what's his. Joette is way out of her depth, but can't seem to stop herself from participating in this cat-and-mouse chase. But can she beat Travis at his own game?

The Percy Jackson and the Olympians, Book Three: Titan's Curse Oct 04 2021 When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess? They must find Artemis before the winter solstice, when her influence on the Olympian Council could swing an important vote on the war with the titans. Not only that, but first Percy will have to solve the mystery of a rare monster that Artemis was hunting when she disappeared -- a monster rumored to be so powerful it could destroy Olympus forever.

The Turquoise Lament Jun 12 2022 From a beloved master of crime fiction, *The Turquoise Lament* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Funny thing

about favors. Sometimes they come back to haunt you. And Travis McGee owes his friend a big one for saving his life once upon a time. Now the friend's daughter, Linda "Pidge" Lewellen, needs help five time zones away in Hawaii before she sails off into the deep blue with a cold-blooded killer: her husband. "The Travis McGee novels are among the finest works of fiction ever penned by an American author." —Jonathan Kellerman

When treasure hunter Ted Lewellen saved his life in a bar fight, McGee could never have thought he'd end up paying his rescuer back in such a way. But years later he finds himself headed to Hawaii at Ted's request to find out whether Pidge's husband really is trying to kill her, or if she's just losing her mind. Of course, once McGee arrives he can't help but give in to his baser instincts, and as his affair with Pidge gets underway, he can't find a single thing wrong. McGee chalks up Pidge's paranoia to simple anxiety, gives her a pep talk, and leaves for home blissfully happy. It's not until he's back in Lauderdale that he realizes he may have overlooked a clue or two. And Pidge might be in very serious danger. Features a new Introduction by Lee Child

[Pippi Moves In](#) Nov 24 2020 THE LOST MASTERPIECE FROM ASTRID LINDGREN'S CHILDREN'S CLASSIC Pippi Moves In marks the first time that the legendary Pippi Longstocking comics by the famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid

Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. Countless translations of the chapter books are available in more than sixty languages. Pippi is Sweden's best-known children's export, making it all the more remarkable that D+Q has discovered what will be a three-volume series. The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine Humpty Dumpty in 1957–1959, a decade after the original books. The comics spotlight both Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. The original illustrator for the chapter books, Vang Nyman was an avant-garde champion of the importance of children's literature who insisted that art in children's books needed to meet the same esthetic standards as art in any other medium. Sadly Vang Nyman never achieved international success, and tragically committed suicide in 1959 due to mental health issues, while Lindgren went on to become one of the world's best-loved writers with more than 145 million books sold worldwide. Similar to D+Q's 2005 unearthing of the Tove Jansson's Moomin comic strip, which has more than 100,000 units in print, these mid-

century classics are waiting to be discovered and enjoyed by the world's legions of Pippi fans, both young and old.

The Dreadful Lemon Sky Sep 15 2022 From a beloved master of crime fiction, *The Dreadful Lemon Sky* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Around four in the morning, Travis McGee is jarred awake by a breathless ghost from his past: an old flame who needs a

place to stash a package full of cash. What's in it for McGee? Ten grand and no questions asked. Two weeks later, she's dead. "The Travis McGee novels are among the finest works of fiction ever penned by an American author."—Jonathan Kellerman Carolyn Milligan was only aboard McGee's boat for one night. She came to drop off a hundred grand for safekeeping. What Carrie really needed was someone to keep her safe. She said she'd be back in a month. Instead Carrie is killed in a dubious roadside accident. Now McGee is left with a fortune—and a nagging conscience. So McGee takes a trip to the seedy little town of Bayside, Florida, to look into Carrie's life before she showed up on his boat. What McGee finds only pushes him further into the corrupt world of drugs and blood that Carrie was trying to escape. McGee is used to high stakes, but when the bodies start piling up, even he may be in over his head. Features a new Introduction by Lee Child

12.21 Feb 25 2021 Two weeks before the end of the world predicted by the ancient, Maya calendar, Dr. Gabriel Stanton receives a call from a hospital resident alerting him to the presence of a patient whose every symptom confounds and terrifies him. Meanwhile, Chel Manu, a Guatemalan American researcher at the Getty Museum, finds herself in possession of an illegal ancient artifact: a priceless codex from a lost city of her ancestors. This record seems to hold the answer to why the Maya

kingdoms vanished overnight. Suddenly it seems that our own civilization might suffer this same fate. Stanton and Manu join forces to find answers before time runs out.

Baby Driver Sep 22 2020 Just as Jack Kerouac captured the beat of the '50s, his daughter captured the rhythm of the generation that followed. With a graceful, often disturbing detachment and a spellbinding gift for descriptive imagery, Jan Kerouac explores the tortured, freewheeling soul of a woman on her own road. From an adolescence of LSD, detention homes, probation, pregnancy, and a stillbirth in the Mexican tropics at age 15; to the peace movement in Haight-Ashbury and Washington state; to traveling by bus through Central America with a madman for a lover, *Baby Driver* moves with the force of a tropical storm.

Atlas Shrugged Oct 24 2020 Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason

behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Runner Jul 13 2022 Runner is an outstanding high-concept thriller that grips and entertains like your favourite Hollywood action movie - fans of Lee Child, Simon Toyne and Dan Brown, will love this rollercoaster of a thriller. 'Patrick Lee is a huge talent and Runner is his best book yet - breathless, involving, smart, and completely convincing' LEE CHILD Sam Dryden was done being a hero. But when, acting on instinct, he hides a terrified young girl from a group of well-armed pursuers, his fate is sealed. Eleven-year-old Rachel can't remember much, but she knows she was imprisoned by men trying to kill her. And that she is important to them. In Dryden, though, Rachel has found the perfect protector - an ex-soldier, well versed in secrets and driven to do what's right. But hunted and on the run, it's only as Rachel's memory returns that

he begins to realise the scale of the dangers they face.
And then only one thing matters: Don't. Get. Caught.

_____ 'Pure adrenaline rush . . . an action-packed novel brimming with complex characters as well as genuine heart. Not to be missed' Lisa Gardner 'An amazing, high speed, hi-octane novel that moves faster than most people can read. Rarely is a story both plot driven and character driven, but Runner does this and more' Nelson DeMille 'I'm going to sue Patrick Lee for giving me whiplash: that's how furiously paced this book is. A terrific cast of characters, unrelenting action - strap in and enjoy the ride' Jesse Kellerman

Dark Site May 11 2022 From the author of Runner, Sam Dryden comes under attack from unknown forces as an unremembered episode from his past threatens more than just his life. On an otherwise normal morning, former Special Forces operative Sam Dryden is the target of an unsuccessful attempted abduction. Using his attacker's cellphone, he learns that another person, a woman named Danica Ellis, is also being targeted. Dryden arrives just in time to save Danica from the assault team sent after her. But neither of them recognize the other, or have any idea why they are being targeted. The only clue is a heavily redacted, official-looking document given to Danica by her stepfather before he was killed. Dryden immediately

recognizes it as a "scrub file." A scrub file is a record of what a subject knew before their memories were chemically destroyed. The redacted document refers to witnesses to a secret military site in Ashland, Iowa in 1989. Both Dryden and Danica Ellis lived in Ashland in 1989, when they were both twelve years old, though neither of them has any memory of the other. Switching back and forth between the present day, when Dryden and Danica try to elude the forces that are after them, and the past in Ashland, Iowa, when both were twelve, making a discovery that forever changed their lives, this latest Sam Dryden novel proves yet again that Patrick Lee is one of the most original, compelling thriller writers today.

Brilliance Jan 07 2022 Federal agent Nick Cooper draws on his supernatural ability to eliminate terrorists to hunt down a dangerous man who committed a horrific massacre on Wall Street that left hundreds dead and injured.

Between Earth and Sky Dec 06 2021 In Amanda Skenandore's provocative and profoundly moving debut,

set in the tragic intersection between white and Native American culture, a young girl learns about friendship, betrayal, and the sacrifices made in the name of belonging. On a quiet Philadelphia morning in 1906, a newspaper headline catapults Alma Mitchell back to her past. A federal agent is dead, and the murder suspect is Alma's childhood friend, Harry Muskrat. Harry—or Asku, as Alma knew him—was the most promising student at the “savage-taming” boarding school run by her father, where Alma was the only white pupil. Created in the wake of the Indian Wars, the Stover School was intended to assimilate the children of neighboring reservations. Instead, it robbed them of everything they'd known—language, customs, even their names—and left a heartbreaking legacy in its wake. The bright, courageous boy Alma knew could never have murdered anyone. But she barely recognizes the man Asku has become, cold and embittered at being an outcast in the white world and a ghost in his own. Her lawyer husband, Stewart, reluctantly agrees to help defend Asku for Alma's sake. To do so, Alma must revisit the painful secrets she has kept hidden from everyone—especially Stewart. Told in compelling narratives that alternate between Alma's childhood and her present life, *Between Earth and Sky* is a haunting and complex story of love and loss, as a quest for justice becomes a journey toward understanding and, ultimately, atonement.
